Part-1 SBPD
Publications
This book
provides a
concise
overview of

federal
partnership
taxation. It
covers
partnership
formation,

including contributions of property and admission of service partners, allocation of income and loss, tax accounting, and sharing of recourse and nonrecourse liabilities. Building on this foundation, the book also addresses advanced topics, including transactions between partners and partnerships, sales of partnership interests, distributions of property, and mandatory basis adjustments, and profits interests planning for retirement or death of a partner. Numerous concrete examples illustrate the tax treatment of specific transactions, allowing students to grasp the principles of partnership taxation in a problem-oriented course. The revised fifth edition reflects developments through September 2016, including proposed rules relating to compensatory and fee waivers, contributed built-in loss property, sharing of partnership liabilities and disguised sales, basis adjustments under 734(b), 743(b) and 755, and 751(b) distributions.

College Admission 101
RAJEEV BANSAL

Wiley CPA Exam Review 2010, Financial Accounting and Reporting SBPD Publications Becoming a partner in a professional services firm is for many ambitious fee-earners the ultimate goal. But in this challenging industry, with long hours, high

pressure and even higher expectations, how do you stand out from the crowd? How do you build the most effective relationships? And how do you find the time to do all of this and still have a fulfilling personal life? Now in its third edition, *How to Make Partner and Still Have a Life* equips individuals at the start of their career through to partner with the skills needed to reach and succeed at the leadership level. *How to Make Partner and Still Have a Life* details the expectations and realities of being a partner and outlines how you can continue to achieve once you have obtained the much-coveted role. This edition is updated with guidance on

developing the right mindset for success and the importance of mentoring and sponsorship. There is a specific focus on women and BAME professionals and the challenges faced by individuals coming from non-traditional or under-represented backgrounds. Heather Townsend and Jo Larbie provide a guide to help you tackle common obstacles and work smarter - not harder - to reach the top. Start your journey to partnership and still have the time for a life outside of work.
