College Admission 101 SBPD Publications
This book provides a concise overview of federal partnership taxation. It covers partnership formation, including contributions of property and admission of service partners, allocation of income and loss, tax accounting, and sharing of recourse and nonrecourse liabilities. Building on this foundation, the book also addresses advanced topics, including transactions between partners and partnerships, sales of partnership interests, distributions of property, optional and mandatory basis adjustments, and planning for retirement or death of a partner. Numerous concrete examples illustrate the tax treatment of specific transactions, allowing students to grasp the principles of partnership taxation in a problem-oriented course. The revised fifth edition reflects developments through September 2016, including proposed rules relating to compensatory profits interests and fee waivers, contributed built-in loss property, sharing of partnership liabilities and disguised sales, basis adjustments under 734(b), 743(b) and 755, and 751(b)

distributions.

Soulé's New Science and Practice of Accounts, Containing a Full Exposition, Elucidation, and Discussion of the Science, Practice and Details of Double Entry and Single Entry Book-keeping ... SBPD Publications
The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

Illustrative accounting problems, by C.F. Rittenhouse and H.D. Greeley SBPD Publishing House
"A sequel to the author's Advanced Accounting-Volume I, this comprehensive and student-friendly book covers the multifarious aspects of accounting, ranging from partnership accounts, company accounts to bonus issue, rights issue, underwriting, and preference share redemption. The text focuses, in particular, on the accounts of banking and insurance companies. It also covers accounts with reference to incorporation and internal reconstruction of companies as well as amalgamation, absorption and external reconstruction of companies. A large number of illustrations and worked-out examples are provided to make the students understand the concepts better.
Federal Income Taxation of Partners and Partnerships in a Nutshell Sultan Chand & Sons
Becoming a partner in a professional services firm is for many ambitious fee-earners the ultimate goal. But in this challenging industry, with long hours, high pressure and even higher expectations, how do you stand out from the crowd? How do you build the most effective relationships? And how do you find the time to do all of this and still have a fulfilling personal life? Now in its third edition, How to Make Partner and Still Have a Life equips individuals at the start of their career through to partner with the skills needed to reach and succeed at the leadership level. How to Make Partner and Still Have a Life details the expectations and realities of being a partner and outlines how you can continue to achieve once you have obtained the much-coveted role. This edition is updated with guidance on developing the right mindset for success and the importance of mentoring and sponsorship. There is a specific focus on women and BAME professionals and the challenges faced by individuals coming from non-traditional or under-represented backgrounds. Heather Townsend and Jo Larbie provide a guide to help you tackle common obstacles and work smarter - not harder - to reach the top. Start your journey to partnership and still have the time for a life outside of work.
