Subaru Legacy (10-16) & Forester (09-16) W W Norton & Company Incorporated
Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don’t perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

1966, 1967, 1968, 1969 Dundurn
As U.S. and Canadian automakers and dealers face bankruptcy and/or unprecedented downsizing, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car and truck books on the market. Phil Edmonston, Canada’s automotive “Dr. Phil” for more than 35 years, pulls no punches. This compendium of everything that’s new in cars and trucks is packed with feedback from Canadian drivers, insider tips, internal service bulletins, and confidential memos to help the consumer select what’s safe, reliable, and fuel-frugal. Know all about profit margins, rebates, and safety defects. And when things go wrong, fight back! Lemon-Aid’s complaint tactics, sample

letters, Internet gripe sites, and winning jurisprudence will get you attention — and a refund!

“A wild ride . . . [and] a thoroughly enjoyable tale of religion, sex and money . . . this is not your grandfather’s detective novel” (Tim McNulty, The Seattle Times). New York Times–bestselling author Jim Harrison has won international acclaim for his masterful body of work, including Returning to Earth, Legends of the Fall, and over thirty books of fiction, nonfiction, and poetry. In this enthralling, witty and expertly crafted novel, he follows one man on a hunt for an elusive cult founder, dubbed “The Great Leader.” On the verge of retirement, Detective Sunderson begins to investigate a hedonistic cult, which has set up camp near his home in Michigan’s Upper Peninsula. At first, the self-declared Great Leader seems merely a harmless oddball, but as Sunderson and his sixteen-year-old sidekick dig deeper, they find him more intelligent and sinister than they realized. Recently divorced and frequently pickled in alcohol, Sunderson tracks his quarry from the woods of Michigan to a town in Arizona, filled with criminal border-crossers, and on to Nebraska, where the Great Leader’s most recent recruits have gathered to glorify his questionable religion. But Sunderson’s demons are also in pursuit of him. “Jim Harrison is unsurpassed at chronicling man’s relationship with wilderness . . . The Great Leader is hugely enjoyable.” —Tom Bissell, Outside Magazine

Volkswagen GTI Golf-Jetta Service Manual, 1985-1992 Bentley Pub
This book constitutes the refereed proceedings of the 10th IAPR-TC-15 International Workshop on Graph-Based Representations in Pattern Recognition, GbRPR 2015, held in Beijing, China, in May 2015.
