An accounting study guide with
questions, and answers is a helpful
tool for anyone that is taking an
accounting class. An accounting
course book covers topics
extensively. With the study guide
the person can take the quizzes,
and check their answers. The study
guide shows which answer is
correct. Some study guide books
will explain why the other answers
is close, but not correct. Once the
person takes the quiz on a specific
topic. They will find out where
their weakness is, and what areas
they have to study. The book will
help them prepare for class exams,
and any professional exams they
may take.
