KS3 Science Practice Test Papers
Letts & Lonsdale

This new edition of the highly successful KS3 Total Revision book has been updated in line with the latest tests. It continues to provide the most comprehensive approach to exam success with its unique combination of study support and exam practice. It also contains the latest Test Marker's comments. The first three sections of the book revise the most important skills and help students focus on the types of questions and tasks they will meet in each

of the three test papers. The last two sections make sure students are fully prepared for the actual test with practice questions, sample answers and marking guidance. To make this book flexible and easy to use at home, the content has been divided into a number of short revision sessions taking about 30 minutes to complete. Each revision session has a 'Hints panel' which provides practical advice on how to answer test questions and score the best possible marks.
