The Pathfinder project was started just a few weeks before the failed invasion of "Polaris" took place. The intention behind this project was not to create another

mapping tool that already exist. I wanted to make the easiest to use and most powerful 3rd party system mapper, build with the newest web technology available.

MapleStory Pathfinder Skill Build Guide | AyumiLove Introduction.

Polymorph is one of the most confusing and difficult parts of the magic system in Pathfinder. This guide is an attempt to explain how the rules work, and how

you can best make use of Polymorph spells.

Great guide and profile guide for Pathfinder. I very much appreciate the guide and the ability to plug my character in to see what is needed to complete.
