Jesus' admonition to "go and make disciples of all nations" (Matthew 28:19, NIV) resonates in the hearts of those who love Him supremely. Every individual must be given the opportunity to choose between life and death. This volume is a call to action—a plea for believers to work for their Savior by bringing the gospel to the millions of people in the city, strategies, methods, selecting and training workers, and lessons from Scripture. Yes, the work will require much effort, especially in our day and age. But Ellen G. White doesn't mince words: "Do not hover over the churches to repeat over and over again the same truths to the people, while the cities are left in ignorance and sin, unwarned and unlabored for" (The Upward Look, p. 274). Book jacket.

Papua New Guinea is experiencing changes that grow in significance and accelerate in pace. Although the majority of its population are still subsistence farmers, the postmodern world is fast making an impact. That means that, at the same time, they are strongly influenced by firmly ingrained tradition where animism is binding and a pervasive element as well as Western media with its consumerism and worldview. The most impacted are youth who are caught between the

traditional and postmodern culture. In a country that is Christian by constitution, pastors are looked upon with high esteem. They need to find a way to bridge the gap, to make sense of the world youth are living in, and find a meaningful way forward. Although this book is aimed at pastors and youth workers in PNG, other sectors can benefit from the research--politicians, educators, health workers, clergy--especially if they are coming from a different culture, be that from PNG or another country.

There are no specific rules to prepare for a GD. And no one knows what the topic of GD is going to be. It will be a good idea to keep yourself abreast with topics from: 1. Current Affairs - Current Affairs is something that you have to be thorough with. Understand the recent crises affecting the world, latest developmental initiatives, and important national & global events. 2. Historical topics- Have a fair knowledge about the history of India and the world. Having historical information will help you cite examples and make references whenever needed. 3. Sports, Arts & Literature - In these topics, try to have a decent idea about what is popular, who are the leaders in each area, the latest that has happened in these areas. 4. Data crunching - Do familiarize yourself with important data. Throwing in some data if required in your GD will definitely create an impression among the assessors.
