The description of the evolution says, "This evolution can be taken once for every five levels the summoner possesses."

Unfortunately, that text is unclear. A summoner can select this evolution once for levels 1—4, again for levels 5—9, a third time at levels 10—14, a fourth time at levels 15—19, and a fifth time at level 20.

liking, the Summoner gets to build their pet from the ground up, and it can be and do whatever you want.
