Some people have dreams that are so magnificent that if they were to

achieve them, their place in history would be guaranteed. Francis Drake, Robert Scott, Charles Lindbergh, Amy Johnson, Edmund Hilary, Neil Armstrong, and Lewis and Clark are among such individuals. But what if one man had such a dream, and once he 'd fulfilled it, there was no proof that he had achieved his ambition? Jeffrey Archer ' s latest book, *Paths of Glory*, is the story of such a man---George Mallory. Mallory once told an American reporter that he wanted to climb Mt. Everest, " because it ' s there. " On his third attempt in 1924, at age thirty-seven, he was last seen six hundred feet from the top. His body was found in 1999, and it still remains a mystery whether he ever reached the summit. But only after you ' ve turned the last page of this extraordinary novel, inspired by a true story, will you be able to decide if George Mallory ' s name should be added to the list of legends, in which case another name would have to be removed. *Paths of Glory* is truly a triumph.

The Sins of the Fathers St. Martin's Press
Jeffrey Archer, the internationally bestselling author of *Honor Among Thieves*, *As The Crow Flies*, and *Kane & Abel*, now serves up this inventive new collection of a dozen short stories -- with a twist. Cleverly styled, with

story lines, each of the twelve pieces ends with a delightfully unexpected turn of events. An imprisoned man is certain that his supposed murder victim is very much alive....A female driver is pursued relentlessly by a menacing figure in another vehicle....A young artist gets the biggest break of her career....A restless beauty manages the perfect birthday celebration....An escaped Iraqi on Saddam Hussein's death list pays an involuntary visit to his homeland. In each tale, human beings are given an opportunity to seize, a crucial problem to solve, or a danger to avoid. How will they react? How would you? Capping off the collection are two additional rewards. In the final story, Archer offers a choice of four endings. And buried in each story is another diversion -- a red herring which Archer challenges his readers to uncover.

NEW YORK TIMES BESTSELLING author Jeffrey Archer-returns with a powerful tale of twins separated by fate and reunited by destiny. In Hartford, Connecticut, in the late 1940s, a set of twins is parted at birth-not by accident. Nat Cartwright goes home with his parents, a schoolteacher and an insurance salesman, while his twin brother begins his days as Fletcher Davenport, son of a millionaire and his society wife. During the 1950s and 1960s, the two brothers grow up apart, following similar paths that take them in different directions. Nat leaves college at the University of Connecticut to serve in Vietnam, then finishes school, earns his MBA, and becomes a successful currency dealer. Fletcher, meanwhile, graduates from

Yale University with a bachelor's and a law degree, going on to distinguish himself as a criminal defense lawyer. At various times in their lives, both men are confronted with challenges and obstacles, tragedy and betrayal, loss and hardship, before they both decide to run for governor, unaware they are brothers.... In the tradition of Jeffrey Archer's most popular books, *Sons of Fortune* is as much a chronicle of a nation in transition as it is the story of the making of these two men -and how they eventually discover the truth-and its tragic consequences.

This Was a Man Macmillan

Bestselling author Jeffrey Archer's *Be Careful What You Wish For* opens with Harry Clifton and his wife Emma rushing to hospital to learn the fate of their son Sebastian, who has been involved in a fatal car accident. But who died, Sebastian or his best friend Bruno? When Ross Buchanan is forced to resign as chairman of the Barrington Shipping Company, Emma Clifton wants to replace him. But Don Pedro Martinez intends to install his puppet, the egregious Major Alex Fisher, in order to destroy the Barrington family firm just as the company plans to build its new luxury liner, the MV Buckingham. Back in London, Harry and Emma's adopted daughter wins a scholarship to the Slade

Academy of Art where she falls in love with a fellow student, Clive Bingham, who asks her to marry him. Both families are delighted until Priscilla Bingham, Jessica's future mother-in-law, has a visit from an old friend, Lady Virginia Fenwick, who drops her particular brand of poison into the wedding chalice. Then, without warning, Cedric Hardcastle, a bluff Yorkshireman who no one has come across before, takes his place on the board of Barringtons. This causes an upheaval that none of them could have anticipated, and will change the lives of every member of the Clifton and Barrington families. Hardcastle's first decision is who to support to become the next chairman of the board: Emma Clifton or Major Alex Fisher? And with that

decision, the story takes yet another twist that will keep you on the edge of your seat. *Be Careful What You Wish For* showcases the master storyteller's talent as never before – when the Clifton and Barrington families march forward into the sixties, in this epic tale of love, revenge, ambition and betrayal. *Paths of Glory* St. Martin's Press

...there is nothing more still than a dead body, and no mistaking it for anything else. This one was naked, covered with a glaze of ice. Even the long black hair that fell in tendrils across her face was encased in ice. It was as if she were under a spell—the victim of a jealous wizard, a wicked witch. [The Delicate Storm, page 164] Algonquin Bay is wrapped in a thick blanket of fog; an eerie prophecy of weather on its way, or perhaps something more ominous. When a local man discovers a dismembered arm in his front yard, it seems that the long fingers of fog that strangle the city are also hiding a grisly secret. While at first the discovery is thought to be the work of ravenous bears, woken early from their long winter hibernation, the coroner later confirms that the victim was actually sawn into pieces rather torn. The case becomes even murkier when a local trapper confesses to cutting up the body and scattering the remains but claims to be innocent of committing the murder. Detectives John Cardinal and Lise Delorme have their work cut out for them. After identifying the victim as Howard Matlock, New York city resident, a new player enters the ring: the RCMP. In any

case involving an American, the RCMP shares jurisdiction with the Algonquin Bay Police Department and that means Corporal Malcolm Musgrave. A blustering wall of self-importance and attitude, Musgrave has Cardinal bristling, and he reminds Delorme of a betrayal she'd rather forget. To add insult to injury, Delorme is pulled off the case and Cardinal ends up in a partnership not only with Musgrave, but with the unbearably obsequious Calvin Squier, an agent of the Canadian Security Intelligence Service (CSIS). When Cardinal makes the surprising discovery that Howard Matlock is alive and well, he begins to suspect that not everyone involved in the case is working towards the same goal. The body parts add up to one Miles Shakeley, a CIA operative in Montreal in 1970, and Cardinal becomes suspicious that CSIS is somehow involved. Meanwhile, the case of a missing woman in Algonquin Bay is occupying Delorme. When the body of Dr. Winter Cates is uncovered in a glaze of ice, Delorme is convinced that a jealous boyfriend is to blame. But when blood evidence bonds Cardinal and Delorme's cases, they are back together and travelling to Montreal to track down tenuous leads. And it is there that they discover that their cases reach far beyond the town limits of Algonquin Bay. Untangling the secrets of a government in crisis, cover-ups, and the meddling of American intelligence agencies, they are eventually led back to where they started—and to a suspect who is untouchable.
