Pathways students must complete 30 credits towards the Common Core and 30 credits towards their major requirements to earn an AA or AS degree. (Please note: Some AS programs has received waivers to require more than 60 credits for degree completion.) Once a Common Core area

requirement is completed at BMCC, that requirement is also considered fulfilled if transferring to another CUNY college. Common Core – 30 credits. Required Common Core (12 credits / 4 courses)

Pathways Tip: In many cases, students can find classes that fulfill Required Core requirements that also fulfill requirements for their major. Some math and science courses that satisfy both major requirements and Required Core requirements are more than 3 credits, although only 3 credits from such courses
