**Live Action English** Sky Oaks Productions, Incorporated  
Bringing together diverse scholars to represent the full historical breadth of the early modern period, and a wide range of disciplines (literature, women's studies, folklore, ethnomusicology, art history, media studies, the history of science, and history), Ballads and Broad­sides in Britain, 1500-1800 offers an unprecedented perspective on the development and cultural practice of popular print in early modern Britain. Fifteen essays explore major issues raised by the broadside genre in the early modern period: the different methods by which contemporaries of the sixteenth through nineteenth centuries collected and "appreciated" such early modern popular forms; the preoccupation in the early modern period with news and especially monsters; the concomitant fascination with and representation of crime and the criminal subject; the technology and formal features of early modern broadside print together with its bearing on gender, class, and authority/authorship; and, finally, the nationalizing and internationalizing of popular culture through crossings against (and sometimes with) cultural Others in ballads and broadsides of the time.

Jane Re--a half-Korean, half-American orphan--takes a position as an au pair for two Brooklyn academics and their daughter, but a brief sojourn in Seoul, where she reconnects with family, causes her to wonder if the man she loves is really the man for her as she tries to find balance between two cultures.

**Ballads and Broad­sides in Britain, 1500-1800** Routledge  
A New York Times Notable Book, an NPR Best Debut of the Year, and a PEN/Hemingway finalist. These linked stories follow Sabina as she navigates her shifting identity as a daughter of the Colombian diaspora, and struggles to find her place within and beyond the net of her strong, protective, but embattled family. In “ Lucho,” Sabina ’ s family—already “ foreigners in a town of blancos ” —is shunned by the community when a relative commits an unspeakable act of violence, but she is in turn befriended by the town bad boy, who has a secret of his own. In “ Desaliento,” Sabina surrounds herself with other young drifters who spend their time looking for love and then fleeing from it—until reality catches up with one of them. And in “ Vida,” the urgency of Sabina ’ s self-imposed exile in Miami fades when she meets an enigmatic Colombian woman with a tragic past. “ Vida calls to mind some of the best fiction from recent years. Like Elizabeth Strout ’ s Olive Kitteridge, Engel uses stories about connected characters to illuminate her main subject, in this case Sabina, who moves with her family from Bogot á , Colombia, to New Jersey. Engel brings Sabina ’ s family and culture to life with a narrative style reminiscent of Junot D í az ’ s The Brief Wondrous Life of Oscar Wao . . . Vivid, memorable . . . An exceptionally promising debut. ” —The Cleveland Plain Dealer

**Patricia** Routledge  
Miss Eula is back! In this heartwarming companion to Chicken Sunday, young Trisha is devastated when her grandmother passes away, but finds joy in bonds with a new friend, her new California neighborhood—and the invincible Miss Eula. There will never be anyone like her grandmother, Patricia Polacco thinks, when her grandmother passes away. But when she and her family move to California—in the middle of a drought—she meets a new friend, the irrepressible Stewart, and his amazing grandmother, Miss Eula, who not only takes Trisha under her wing, but, with Trisha and Stewart, steps up to lead their entire extraordinarily diverse neighborhood to help a hurting neighbor—and her once lush garden—survive the drought. Trisha's grandmother's old saying about the stars being Holes in the Sky turns out to be Miss Eula's, too, convincing Trisha that she has miraculously discovered another unforgettable grandmother.

**chapter 9** Ohio University Press  
The gripping family drama—and never-before-told love story—surrounding the rise and fall of the late Aldo Gucci, the man responsible for making the legendary fashion label the powerhouse it is today, as told by his daughter. Patricia Gucci was born a secret: the lovechild whose birth could have spelled ruination for her father, Aldo Gucci. It was the early 1960s, the halcyon days for Gucci—the must-have brand of Hollywood and royalty—but also a time when having a child out of wedlock was illegal in Italy. Aldo couldn't afford a public scandal, nor could he resist his feelings for Patricia ’ s mother, Bruna, the paramour he met when she worked in the first Gucci store in Rome. To avoid controversy, he sent Bruna to London after she became pregnant, and then discretely whisked her back to Rome with her newborn hidden from the Italian authorities, the media, and the Gucci family. In the Name of Gucci charts the untold love story of Patricia ’ s parents, relying on the author ’ s own memories, a collection of love letters and interviews with her mother, as well as an archive of previously unseen photos. She interweaves her parents' tempestuous narrative with that of her own relationship with her father—from an isolated little girl who lived in the shadows for the best part of a decade through her rise as Gucci's spokesperson and Aldo's youngest prot é g é , to the moment when Aldo ’ s three sons were shunned after betraying him in a notorious coup and Patricia—once considered a guilty secret—was made his sole universal heir. It is an epic tale of love and loss, treason and loyalty, sweeping across Italy, England and America during the most tumultuous period of Gucci's sixty years as a family business.

woman searches Buenos Aires for the paintings that are her inspiration and her refuge. Her life -- she is a young mother with a complicated family -- is sometimes overwhelming. But among the canvases, often little-known works in quiet rooms, she finds clarity and a sense of who she is . . . 'I was reminded of John Berger's Ways of Seeing, enfolded in tender and exuberant personal narratives' Claire-Louise Bennett 'This woman-guide, who goes from Lampedusa to The Doors with crushing elegance, is unforgettable' Mariana Enriquez 'A dazzling combination of memoir, fiction and art book, like nothing you've ever read before' Elle

Patricia Simon and Schuster  
Publishing for the centenary of her birth, Patricia Highsmith ’ s diaries “ offer the most complete picture ever published ” of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of “ our greatest modernist writers ” (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith ’ s personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young “ Pat ” lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O ’ Conner and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted Strangers on a Train. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: “ What is the life I choose? ” Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith ’ s diaries convey her euphoria writing The Price of Salt (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable The Talented Mr. Ripley (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be “ a few usable things in literature. ” A memoir as significant in our own century as Sylvia Plath ’ s journals and Simone de Beauvoir ’ s writings were to another time, Patricia Highsmith: Her Diaries and Notebooks is an historic work that chronicles a woman ’ s rise against the conventional tide to unparalleled literary prominence.

Menaced by Vikings and enemies at court, Queen Emma defends her children and her crown in a riveting medieval adventure Readers first met Emma of Normandy in Patricia Bracewell ’ s gripping debut novel, Shadow on the Crown. Unwillingly thrust into marriage to England ’ s King Æthelred, Emma has given the king a son and heir, but theirs has never been a happy marriage. In The Price of Blood, Bracewell returns to 1006 when a beleaguered Æthelred, still haunted by his brother ’ s ghost, governs with an iron fist and a royal policy that embraces murder. As tensions escalate and enmities solidify, Emma forges alliances to protect her young son from ambitious men—even from the man she loves. In the north there is treachery brewing, and when Viking armies ravage England, loyalties are shattered and no one is safe from the sword. Rich with intrigue, compelling personalities, and fascinating detail about a little-known period in history, The Price of Blood will captivate fans of both historical fiction and fantasy novels such as George R. R. Martin ’ s Game of Thrones series.

**The Grapes of Wrath** California Condors  
In its seventeenth-century heyday, the English broadside ballad was a single large sheet of paper printed on one side with multiple woodcut illustrations, a popular tune title, and a poem. Inexpensive, ubiquitous, and fugitive—individual elements migrated freely from one broadside to another—some 11,000 to 12,000 of these artifacts pre-1701 survive, though many others have undoubtedly been lost. Since 2003, Patricia Fumerton and a team of associates at the University of California, Santa Barbara have been finding, digitizing, cataloging, and recording these materials to create the English Broadside Ballad Archive. In this magisterial and long-awaited volume, Fumerton presents a rich display of the fruits of this work. She tracks the fragmentary assembling and disassembling of two unique extant editions of one broadside ballad and examines the loose network of seventeenth-century ballad collectors who archived what were essentially ephemeral productions. She pays particular attention to Samuel Pepys, who collected and bound into five volumes more than 1,800 ballads, and whose preoccupations with black-letter print, gender, and politics are reflected in and extend beyond his collecting practices. Offering an extensive and expansive reading of an extremely popular and sensational ballad that was printed at least 37 times before 1701, Fumerton highlights the ballad genre's ability to move audiences across time and space. In a concluding chapter, she looks to Shakespeare's The Winter's Tale to analyze the performative potential ballads have in comparison with staged drama. A broadside ballad cannot be "read" without reading it in relation to its images and its tune, Fumerton argues. To that end, The Broadside Ballad in Early Modern England features more than 80 illustrations and directs its readers to a specially constructed online archive where they can easily access 48 audio files of ballad music.

One day, high-schooler Anna receives a mail from her friend who suddenly got transferred a year ago. She hopped to the bus hoping to meet the only person who can understand her, but once Anna realizes she couldn't remember her name, the bus stop and now she is stranded in a strange city resided by nobody, except the horrific monsters that would not stop hunting for flesh...

Who to Release? U of Nebraska Press

Popular English travel guides from the sixteenth and seventeenth centuries asserted that women who wandered too far afield were invariably suspicious, dishonest, and unchaste. As the essays in Travel and Travail reveal, however, early modern women did travel, often quite extensively, with no diminution of their moral fiber. Female travelers were also frequently represented on the English stage and in other creative works, both as a reproach to the ban on female travel and as a reflection of historical women's travel, whether intentional or not. Travel and Travail conclusively refutes the notion of female travel in the early modern era as "an absent presence." The first part of the volume offers analyses of female travelers (often recently widowed or accompanied by their husbands), the practicalities of female travel, and how women were thought to experience foreign places. The second part turns to literature, including discussions of roving women in Shakespeare, Margaret Cavendish, and Thomas Heywood. Whether historical actors or fictional characters, women figured in the wider world of the global Renaissance, not simply in the hearth and home.

chapter 11 Univ of California Press

Pulling together the most up-to-date research on the effects of restrictive language policies, this timely volume focuses on what we know about the actual outcomes for students and teachers in California, Arizona, and Massachusettsstates where these policies have been adopted. Prominent legal experts in bilingual education analyze these policies and specifically consider whether the new data undermine their legal viability. Other prominent contributors examine alternative policies and how these have fared. Finally, Patricia Gndara, Daniel Losen, and Gary Orfield suggest how better policies, that rely on empirical research, might be constructed. This timely volume features contributions from well-known educators and scholars in bilingual education. It includes an overview of English learners in the United States and a brief history of the policies that have guided their instruction. It also analyzes the current research on teaching English learners in order to determine the most effective instructional strategies.

This National Book Award nominee from two-time finalist Patricia McCormick is the unforgettable story of Arn Chorn-Pond, who defied the odds to survive the Cambodian genocide of 1975-1979 and the labor camps of the Khmer Rouge. Based on the true story of Cambodian advocate Arn Chorn-Pond, and authentically told from his point of view as a young boy, this is an achingly raw and powerful historical novel about a child of war who becomes a man of peace. It includes an author's note and acknowledgments from Arn Chorn-Pond himself. When soldiers arrive in his hometown, Arn is just a normal little boy. But after the soldiers march the entire population into the countryside, his life is changed forever. Arn is separated from his family and assigned to a labor camp: working in the rice paddies under a blazing sun, he sees the other children dying before his eyes. One day, the soldiers ask if any of the kids can play an instrument. Arn's never played a note in his life, but he volunteers. This decision will save his life, but it will pull him into the very center of what we know today as the Killing Fields. And just as the country is about to be liberated, Arn is handed a gun and forced to become a soldier. Supports the Common Core State Standards.

The Message of the City Arrow

To save the Great Library, the unforgettable characters from Ink and Bone, Paper and Fire, and Ash and Quill put themselves in danger in the next thrilling adventure in the New York Times bestselling series. The opening moves of a deadly game have begun. Jess Brightwell has put himself in direct peril, with only his wits and skill to aid him in a game of cat and mouse with the Archivist Magister of the Great Library. With the world catching fire, and words printed on paper the spark that lights rebellion, it falls to smugglers, thieves, and scholars to save a library thousands of years in the making...if they can stay alive long enough to outwit their enemies.

Shadow on the Crown Penguin

W. B. Yeats and Fernando Pessoa (1888-1935) regarded style as a tool for metaphysical inquiry and, consequently, they adopted distinct poetic styles to convey different attitudes towards experience. Silva-McNeill's study examines how the poets' stylistic diversification was a means of rehearsing different existential and aesthetic stances. It identifies parallels between their styles from a comparative case studies approach. Their stylistic masks allowed them to maintain the subjectivity and authenticity associated with the lyrical genre, while simultaneously attaining greater objectivity and conveying multiple perspectives. The poets continuously transformed the fond and form of their verse, creating a protean lyrical voice that expressed their multilateral poetic temperament and reflected the depersonalisation and formal experimentalism of the modern lyric.
