The bestselling author of Red Storm Rising and The Sum of All Fears brings Jack Ryan back in his to fight his deadliest battle yet. From England to Ireland to America, an explosive wave of violence sweeps a CIA analyst and his family into the deadliest game of our time: international terrorism.

Books similar to Patriot Games (Jack Ryan, #1) "Patriot Games" is an atypical Tom Clancy novel in that is the Jack Ryan book least reliant

on cutting edge technology, dealing more with the consequences of Jack's choices for his family and his career. It is interesting to read this 1987 book knowing that filming it turned Tom Clancy against selling the movie rights of his books to Hollywood (although apparently the powers that be can have their own way with the Jack Ryan character).
