Dressmakers will be

spoilt for choice with our range of dress making pattern paper. Choose from plain tracing paper or stiffer manila and kraft paper. For more accurate pattern design, choose pattern paper with millimetre measurements printed on it, or perhaps our popular dot and cross printed sewing paper.

Sewing Pattern Paper And Craft Paper Supplies / GoldStar Tool

The pattern paper used in the fashion/clothing manufacturing industry is numbered-dotted white paper. It facilitates pattern making by offering pre-marked points and numbers at 1" increments. Although the markings will save you some effort and make the patterning process much faster, if you have an 18" marked plastic ruler you can easily create patterns without the need of these pattern markings.

sewing pattern is easy and

provides a way to create and record your own clothing or doll designs for future use. Traditional pattern paper which is lightweight can be used; however, when making your own paper pattern, it might be more desirable to use a thicker white paper or brown paper.

Paper Patterns At Spotlight - Easy , Fun + Convenient

The making of industrial patterns begins with an existing block pattern that most closely resembles the designer's vision.

Patterns are cut of oak tag (manila folder) paper, punched with a hole and stored by hanging with a special hook. The pattern is first checked for accuracy, then it is cut out of sample fabrics and the resulting garment is fit-tested.
