From the most brilliant and audacious choreographer of our time, the exuberant tale of a young dancer ' s rise to the pinnacle of the performing arts world, and the triumphs and perils of creating work on his own terms—and staying true to himself Before Mark Morris became “ the most successful and influential choreographer alive ” (The New York Times), he was a six year-old in Seattle cramming his feet into Tupperware glasses so that he could practice walking on pointe. Often the only boy in the dance studio, he was called a sissy, a term he wore like a badge of honor. He was unlike anyone else, deeply gifted and spirited. Moving to New York at nineteen, he arrived to one of the great booms of dance in

America. Audiences in 1976 had the luxury of Merce Cunningham ' s finest experiments with time and space, of Twyla Tharp ' s virtuosity, and Lucinda Childs's genius. Morris was flat broke but found a group of likeminded artists that danced together, travelled together, slept together. No one wanted to break the spell or miss a thing, because “ if you missed anything, you missed everything. ” This collective, led by Morris ' s fiercely original vision, became the famed Mark Morris Dance Group. Suddenly, Morris was making a fast ascent. Celebrated by The New Yorker ' s critic as one of the great young talents, an androgynous beauty in the vein of Michelangelo ' s David, he and his company had arrived. Collaborations with the likes of Mikhail Baryshnikov, Yo-Yo Ma, Lou Harrison, and Howard Hodgkin followed. And so did controversy: from the circus of his tenure at La Monnaie in Belgium to his work on the biggest flop in Broadway history. But through the Reagan-Bush era, the worst of the AIDS epidemic, through rehearsal squabbles and backstage intrigues, Morris emerged as one of the great visionaries of modern dance, a force of nature with a dedication to beauty and a love of the body, an artist as joyful as he is provocative. Out Loud is the bighearted and outspoken story of a man as formidable on

the page as he is on the boards. With unusual candor and disarming wit, Morris' s memoir captures the life of a performer who broke the mold, a brilliant maverick who found his home in the collective and liberating world of music and dance.

This heartwarming and funny memoir from a beloved actress tells the story of a mother and daughter whose narrative reflects American cultural changes and the world's shifting expectations of women. From Golda to Ginsburg, Yentl to Mama Rose, Tallulah to the Queen of Mean, Tovah Feldshuh has always played powerful women who aren't afraid to sit at the table with the big boys and rule their world. But offstage, Tovah struggled to fulfill the one role she never auditioned for: Lily Feldshuh's only daughter. Growing up in Scarsdale, NY in the 1950s, Tovah—known then by her given name Terri Sue—lived a life of piano lessons, dance lessons, shopping trips, and white-gloved cultural trips into Manhattan. In awe of her mother's meticulous appearance and perfect manners, Tovah spent her childhood striving for Lily's approval, only to feel as though she always fell short. Lily's own dreams were beside the point; instead, she devoted herself to Tovah's father Sidney and her two children. Tovah watched Lily retreat into the roles of the perfect housewife and mother and swore to herself, I will never do this. When Tovah shot to stardom with the Broadway hit Yentl, winning five awards for her performance, she still did not garner her mother's approval. But, it was her success in another sphere that finally gained Lily's attention. After falling in love with a Harvard-educated lawyer and having children, Tovah found it was easier to understand her mother and the sacrifices she had made during the era of the women's movement, the sexual

revolution, and the subsequent mandate for women to "have it all." Beloved as he had been by both women, Sidney's passing made room for the love that had failed to take root during his life. In her new independence, Lily became outspoken, witty, and profane. "Don't tell Daddy this," Lily whispered to Tovah, "but these are the best years of my life." She lived until 103. In this insightful, compelling, often hilarious and always illuminating memoir, Tovah shares the highs and lows of a remarkable career that has spanned five decades, and shares the lessons that she has learned, often the hard way, about how to live a life in the spotlight, strive for excellence, and still get along with your mother. Through their evolving relationship we see how expectations for women changed, with a daughter performing her heart out to gain her mother's approval and a mother becoming liberated from her confining roles of wife and mother to become her full self. A great gift for Mother's Day—or any day when women want a joyous and meaningful way to celebrate each other.

Nothing Like a Dame Oxford University Press
Instant New York Times, USA Today, and Wall Street Journal Bestseller! An intimate and light-hearted memoir by viral sensation and three-time Emmy-nominated musical comedian Randy Rainbow that takes readers through his life—the highs, the lows, the lipstick, the pink glasses, and the show tunes. Randy Rainbow, the man who conquered the Internet with a stylish pair of pink glasses, an inexhaustible knowledge of Broadway musicals, and the most gimlet-eyed view of American politics this side of Mark Twain finally tells all in *Playing with Myself*, a memoir sure to cause more than a few readers to begin singing one of his greatest hits like "A Spoonful of Clorox" or "Cover Your Freakin' Face." As Randy has said, "There's so much fake news out there about me. I can't wait to set the

record straight and finally give people a peek behind the green screen." And set the record straight he does. Playing with Myself is a first-hand account of the journey that led Randy Rainbow from his childhood as the over-imaginative, often misunderstood little boy who carried a purse in the second grade to his first job on Broadway as the host at Hooters and on to the creation of his trademark comedy character. In chapters titled "Pajama Bottoms" (a look back at the days when he wore pajama bottoms on his head to pretend he was Dorothy in The Wizard of Oz), "Yes, It's My Real Name, Shut Up!" (no explanation necessary...) and "Pink Glasses" (a rose-colored homage to his favorite accessory), Playing with Myself is a memoir that answers the question "Can an introverted musical theatre nerd with a MacBook and a dream save the world, one show tune at a time?"

From the 2-time Tony Award-winner and the star of TV's Younger, funny and intimate stories and reflections about how crafting has kept her sane while navigating the highs and lows of family, love, and show business (and how it can help you, too). Whether she's playing an "age-defying" book editor on television or dazzling audiences on the Broadway stage, Sutton Foster manages to make it all look easy. How? Crafting. From the moment she picked up a cross stitch needle to escape the bullying chorus girls in her early performing days, she was hooked. Cross stitching led to crocheting, crocheting led to collages, which led to drawing, and so much more. Channeling her emotions into her

creations centered Sutton as she navigated the significant moments in her life and gave her tangible reminders of her experiences. Now, in this charming and poignant collection, Sutton shares those moments, including her fraught relationship with her agoraphobic mother; a painful divorce splashed on the pages of the tabloids; her struggles with fertility; the thrills she found on the stage during hit plays like Thoroughly Modern Millie, Anything Goes, and Violet; her breakout TV role in Younger; and the joy of adopting her daughter, Emily. Accompanying the stories, Sutton has included crochet patterns, recipes, and so much more! Witty and poignant, Hooked will leave readers entertained as well as inspire them to pick up their own cross stitch needles and paintbrushes.

There are many words to describe Michael J. Fox: Actor. Husband. Father. Activist. But readers of Always Looking Up will soon add another to the list: Optimist. Michael writes about the hard-won perspective that helped him see challenges as opportunities. Instead of building walls around himself, he developed a personal policy of engagement and discovery: an emotional, psychological, intellectual, and spiritual outlook that has served him throughout his struggle with Parkinson's disease. Michael's exit from a very demanding, very public arena offered him the time-and the inspiration-to open up new doors leading to unexpected places. One door even led him to the center of his own family, the greatest destination of all. The last ten years, which is really the stuff of this book, began with such a loss: my retirement from Spin City. I found myself struggling with a strange new dynamic: the shifting of public and private personas. I had been Mike the actor, then Mike the actor with PD. Now was I just Mike with PD Parkinson's had consumed my career and, in a sense, had become my career. But where did all of this leave Me? I had to build a new life when I was already pretty happy with the old one... Always Looking Up is a memoir of this last decade, told through the critical themes of Michael's life: work, politics, faith, and family. The book is a journey of self-discovery and reinvention, and a testament to the

consolations that protect him from the ravages of Parkinson's. With the humor and wit that captivated fans of his first book, *Lucky Man*, Michael describes how he became a happier, more satisfied person by recognizing the gifts of everyday life.

From the star of Broadway's *The Book of Mormon* and HBO's *Girls*, the heartfelt and hilarious coming-of-age memoir of a Midwestern boy surviving bad auditions, bad relationships, and some really bad highlights as he chases his dreams in New York City With a new afterword • "Candid, funny, crisp . . . honest and tender about lessons of the heart." —*Vogue* When Andrew Rannells left Nebraska for New York City in 1997, he, like many young hopefuls, saw the city as a chance to break free. To start over. To transform the fiercely ambitious but sexually confused teenager he saw in the mirror into the Broadway leading man of his dreams. In *Too Much Is Not Enough*, Rannells takes us on the journey of a twentysomething hungry to experience everything New York has to offer: new friends, wild nights, great art, standing ovations. At the heart of his hunger lies a powerful drive to reconcile the boy he was when he left Omaha with the man he desperately wants to be. As Rannells fumbles his way towards the Great White Way, he also shares the drama of failed auditions and behind-the-curtain romances, the heartbreak of losing his father at the height of his struggle, and the exhilaration of making his Broadway debut in *Hairspray* at the age of twenty-six. Along the way, he learns that you never really leave your past—or your family—behind; that the

most painful, and perversely motivating, jobs are the ones you almost get; and that sometimes the most memorable nights with friends are marked not by the trendy club you danced at but by the recap over diner food afterward. Honest and hilarious, *Too Much Is Not Enough* is an unforgettable look at love, loss, and the powerful forces that determine who we become.

"You have the luck of Croesus on stilts (as my Auntie Vi would have said) if you've had the sort of career, ups and downs, warts and all that I have in that wondrous little corner of show business called musical theatre." One of the most successful and distinguished artists of our time, Andrew Lloyd Webber has reigned over the musical theatre world for nearly five decades. The winner of numerous awards, including multiple Tonys and an Oscar, Lloyd Webber has enchanted millions worldwide with his music and numerous hit shows, including *Jesus Christ Superstar*, *Evita*, *Cats*, *The Phantom of the Opera*—Broadway's longest running show—and most recently, *School of Rock*. In *Unmasked*, written in his own inimitable, quirky voice, the revered, award-winning composer takes stock of his achievements, the twists of fate and circumstance which brought him both success and disappointment, and the passions that inspire and sustain him. The son of a music professor and a piano teacher, Lloyd Webber reveals his artistic influences, from his idols Rodgers and Hammerstein and the perfection of South Pacific's "Some Enchanted Evening," to the pop and rock music of the 1960s and Puccini's *Tosca*, to P. G. Wodehouse and T. S. Eliot. Lloyd Webber recalls his bohemian London

A record of several exciting and turbulent decades of British and American musical theatre and the transformation of popular music itself, *Unmasked* is ultimately a chronicle of artistic creation. Lloyd Webber looks back at the development of some of his most famous works and illuminates his collaborations with luminaries such as Tim Rice, Robert Stigwood, Harold Prince, Cameron Mackintosh, and Trevor Nunn. Taking us behind the scenes of his productions, Lloyd Webber reveals fascinating details about each show, including the rich cast of characters involved with making them, and the creative and logistical challenges and artistic political battles that ensued. Lloyd Webber shares his recollections of the works that have become cultural touchstones for generations of fans: writings songs for a school production that would become his first hit, *Joseph and the Amazing Technicolor Dreamcoat*; finding the coterie of performers for his classic rock opera *Jesus Christ Superstar*; developing his first megahit, *Evita*, which would win seven Tonys Awards, including Best Musical; staking his reputation and fortune on the groundbreaking *Cats*; and making history with the dazzling *The Phantom of the Opera*. Reflecting a life that included many passions (from architecture to *Turkish Swimming Cats*), full of witty and revealing anecdotes, and featuring cameo appearances by numerous celebrities—Elaine Paige, Sarah Brightman, David Frost, Julie Covington, Judi Dench, Richard Branson, A.R.
