Collins

Woman Cancer Sex, Second Edition, is an accessible and comprehensive resource for women living with and surviving cancer as they navigate specific challenges related to sex and sexuality. Women who have survived cancer remain sexual beings despite the challenges of cancer treatment, and they often have nowhere to go with their questions and concerns. This text interweaves stories from clinical practice with evidence-based tips and interventions for a range of physical and emotional side effects resulting from cancer and its treatment. Each chapter describes the experience of a woman with a particular kind of cancer and a variety of related

problems, including loss of libido, physical pain, body image issues, depression, and struggles communicating with a partner and health care providers. Written by a leading voice in the field of cancer and sexuality, this book offers essential guidance surrounding questions about sexual health for women diagnosed with cancer. It will also be of use to health care providers including social workers and sex and couple therapists.

The Ultimate Guide to Sex and Disability Cleis Press
This is not your standard sex book. Sex therapist, sociologist, and Psychology Today contributor Dr. Marty Klein

goes beyond the sex manuals to reveal how our mindsets during sex are more important than any tricks or techniques—and that the way to a healthier, more exciting, more fulfilling sex life lies in first developing our sexual intelligence. This book is the antidote to the many gimmick-oriented sex guides and manuals; Dr. Klein shows us how to reorient how we think about sex in order to experience a truly different way of being sexual.

“Marty Klein is the Steve Jobs of sex advice. . . . Sexual Intelligence is a work of enormous wisdom and expansiveness, and will inspire readers, regardless of age, to realize their full sexual potential.” —Ian Kerner, best-selling author of *She Comes First*
Guide to Getting it on
Guilford Press
Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body

and detailed descriptions of various techniques, acts, and fantasies.

Come as You Are Yale University Press
Thorough, frank, humorous, and accessible, with candid illustrations throughout, this book starts where most books on sex leave off. Based on years of research and ideas contributed by a variety of people, including doctors, social workers, psychologists,

surfers, priests and a prostitute, this is the thinking person's sex book.

Sex Matters for Women
Simon and Schuster
A humorous but helpful handbook offers survival strategies for women who are getting over Mr. Wrong and struggling to rebuild their lives, covering everything from ending a relationship permanently to finding a brighter romantic future.

"A comprehensive and fun-to-read guidebook for people of all sexual identities and experience levels, *Getting It* covers all the bases of hook-up culture from first

etiquette to navigating nonmonogamy and sexual health"-- **Guide to Getting it on** Scribe Publications
Masturbation is like tuning a radio -- you don't know what frequencies you'll enjoy until you play with the knobs. Masturbation has a complicated stigma attached to it; everybody is

doing it, but not everybody talks about it. Some were told that touching oneself would cause cute kittens to die, some were told masturbation led blindness. *Getting Off: A Woman's Guide to Masturbation* is here to debunk those masturbation myths, and reinforce the truth. Masturbation is a totally

natural and normal way for women to connect with and find pleasure in their bodies. Fun, informative, and illustrated, *Getting Off* provides women with a wealth of masturbation knowledge -- its history, the mechanics of it, the joys of sexy toys -- plus clear, concise tips on getting off.

Foreword by Betty A. Dodson
Daily Sex Hachette UK
A frank and witty tour of modern sexuality from a knowing young "sexpert" who's seen -- and done -- it all. From her popular columns and website to her videos and lecture series, Tristan Taormino has garnered raves for her unabashed straight talk about sex. Now, for the first time in book form, she imparts wisdom gleaned from years of adventurous and informative sexual

anthropology. As a sex educator, Tristan has listened to thousands of people's most intimate questions. In *Pucker Up*, she responds to those queries -- no matter how taboo -- giving honest, useful advice that doesn't shy away from sensitive topics. All the basics are covered here, but Tristan also tackles such topics as strap-ons, female ejaculation, the latest sex toys, erotica and how it can improve your love life, and new strategies for hitting

that elusive G-spot. Pucker Up is quite simply an indispensable book for anyone looking for healthy, adventuresome, mind-blowing sex.

Getting It Villard Books

So many women are dissatisfied with their sexual relationships—even all these years after the "sexual revolution"—but what is it that women really want? In *The Sex You*

Want, authors Lisa and Marcia Douglass answer this age-old question and much more, touching on subjects that include: how women's sexuality is influenced by societal forces; how women can fall into unhealthy sexual patterns; and how the way we talk about or censor discussions on sex affects our everyday practices,

and offer ways to reverse the damaging consequences. With a detailed description of the female anatomy and a section on how to achieve the utmost in orgasmic pleasure, *The Sex You Want* will help women take control of their sexuality in ways that will not only change how they relate to their bodies, but

how they live in the leader. Includes two intercourse world. This new paperback version is illustrated and comes with a revised introduction. "A smart, new sex guide.... A step toward helping women own and appreciate their bodies."—Glamour **The Joy of Sex** Seal Press

new chapters and 5 new illustrations. **Enduring Desire** Harmony
Men's Sexual Health is a breakthrough book about vital and satisfying male sexuality. It presents a new model of male and couple sexuality, which establishes positive, realistic expectations of pleasure and satisfaction, as opposed to the self-defeating traditional demand for perfect

performance. Men and couples who adopt this approach will enjoy sexuality throughout the lifespan. The authors introduce the new "smart thinking," focused on an integration of mind and body, which confronts the myths and misunderstandings which limit male sexual growth. The book will help men and women understand how to pursue sexual and relational health, overcome sexual problems, with the goal

of greater acceptance and satisfaction. The book advocates for positive, realistic Good-Enough Sex which will significantly enhance male and couple sexual satisfaction. Pucker Up HarperOne "Girl Sex 101 is the best sex guide in years." - DIVA Magazine Girl Sex 101 is a sex-ed book like no other, offering helpful info for ladies and lady-lovers of all genders and

foreplay, blowjobs, anal techniques, and threesomes, to name just a few. The correspondents then traveled far and wide in search of novel advice. They spoke to bloggers, tour guides, lifeguards, pool cleaners, sideshow performers, and ex-pats living all over the globe. The result? This chunky paperback chock-full of everything you ever wanted to know about sex but were too afraid to ask the salesman at your local car dealership.

THE ART OF SEDUCTION (PB) Cleis Press

Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time.

More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and lovers. 'It's time to close the sex gap and create a level playing field in the

exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner
Guide to Getting It on

Routledge
The Ultimate Guide to Sex and Disability is the first complete sex guide for people who live with disabilities, pain, illness, or chronic conditions. Useful for absolutely everyone, regardless of age, gender, or sexual orientation, the book addresses a wide range of disabilities – from chronic fatigue, back pain, and asthma to spinal cord injury, hearing and visual impairment, multiple sclerosis, and more.

Expertly written by a medical doctor, a sex educator, and a disability activist, The Ultimate Guide provides readers with encouragement, support, and all the information they need to create a sex life that works for them. The authors cover all aspects of sex and disability, including building a positive sexual self-image; positions to minimize stress and maximize pleasure; dealing with fatigue or pain during sex; finding partners and talking with

partners about sex and
disability; adapting
sex toys; and more.
