Student-originated Studies Projects For Dummies

In accordance with the President's management agenda, the Office of Management and Budget (OMB) has sponsored initiatives to promote expansion of electronic gov't. -- the use of information technology, particularly Web-based Internet applications, to enhance gov't. services. Each initiative demands a high

degree of collaboration among organizations. For four of these initiatives, the GAO was asked to determine, among other things, their implementation progress and the extent of collaboration among agencies and other parties involved. GAO determined that all four of the e-government initiatives that it reviewed have made progress in meeting the objectives and milestones of their early phase. Charts and tables.
