Garrison - Your guide through the challenging waters of managerial accounting. For centuries, the lighthouse has stood as a beacon of guidance for mariners at sea. More than an aid to navigation, the lighthouse symbolizes safety, permanence, reliability, and the comforts of the familiar. For this reason, we have chosen to illustrate the Canadian eighth edition of Managerial Accounting by Garrison, Chesley, Carroll and Webb with an image that encapsulates the greatest strengths of this market leading text. Garrison is your guide through the challenging waters of managerial accounting. It identifies the three functions managers must perform within their organizations—plan operations, control activities, and make decisions—and explains what accounting information is necessary

for these functions, how to collect it, and how to interpret it. Managerial Accounting8ce focuses, now as in the past, on three qualities: Relevance, Balance and Clarity. The authors' steady focus on these core elements has led to tremendous results! As seafarers look to the lighthouse for direction along unfamiliar shore, so too can Garrison act as a compass for students seeking to master this course. Financial Accounting Ft Press For use in Governmental Accounting and Public Budgeting courses. Covering the essentials of fund accounting, this flexible book introduces the reader to the basic accounting principles at work in both governmental and not-for-profit organizations. This brief book divides most of the chapters into independent sections which may be covered as separate units. Now includes a print update on GASB 34, packaged with the text.

Book-keeping and Accounts Prentice Hall The text is current, concise, and clearly written, with cases at the end of each chapter to illustrate the material.* An interactive CD lets students test and expand their understanding with multiple-choice questions, key term matching exercises, demonstrations of various concepts and techniques, critical thinking exercise, interactive cases, and videos.* A dynamic Web site provides test study guides, exercises, games, web testing, relevant

articles, from The Wall Street Journal and other sources linked to the text, links to relevant web sites, additional cases, and other materials.
