"I must congratulate you on GLOBISH THE WORLD OVER. It's a pioneering text of great importance, full of enthralling insights for native and non-native English users alike." -- Robert McCrum, author, The Story of English and Literary Editor, London Observer. Globish, as a concept, takes to task the world hegemony of arrogant English-speakers. Hence the landmark book Don't Speak English - Parlez Globish became a best-seller in French, and other languages, but it never appeared in English. GLOBISH THE WORLD OVER is the first book written in Globish-English. Non-native English speakers from non-Anglophone countries use English better between themselves than with any native English speaker. Globish codifies their very efficient "similar limitations." The word Globish may strike English-speakers as an "odd" way to rename their English. However billions of speakers in Brazil, Russia, India and China will be the new "owners" of what the world is now calling Globish. The implications are far-reaching. GLOBISH THE WORLD OVER discusses this phenomenon, and demonstrates that Globish - as a deliberate and sufficient subset of English for international communication - is limited more by a person's communication ability than by mere words.

The first step to reading is to recognize the alphabet. A child has to know that A is a and B is b. Instead of singing the alphabet song and showing pictures after pictures, why not try the more inclusive style of learning? Connect the dots will do the trick! This themed edition is perfect for a preschooler's learning needs. Grab a copy now!

Mercury Reader Benjamin-Cummings Publishing Company

Write Time, Write Place provides students with writing and grammar instruction supported by carefully selected readings and activities that will encourage them to read, think critically, and write at a college level.

Mercury Reader Baby Professor (Education Kids)

The Reading With Giggles & Games Learn-To-Read System works in a dramatically effective way because it uses several proprietary learning strategies, in combination, that create an ideal learning state in the mind and body of the student. No other system combines these learning strategies in the same way and no other system has been able to demonstrate more effective learning results. The children are happier, they learn faster and their teachers and parents are amazed at how much more quickly these students learn to read than other students who are taught with other outmoded, traditional teaching methods. When you child starts to recognize letters, numbers and their associated sounds they are ready for the Reading With Giggles and Games program. This wonderful system can help you, as a parent, be much more effective in your mission to help your child to learn to read without the hassle and frustration that often accompanies the process with other traditional learn to read methods.

English Mercury Reader Farrar, Straus and Giroux

In Along These Lines, authors John Sheridan Biays and Carol Wershoven prepare students for the writing expectations of future courses by providing thorough, step-by-step instruction for key topics: the writing process, grammar, and research. The authors' conversational tone and variety of writing activities, such as peer review and collaborative exercises, make Along These Lines upbeat and interesting for students as they hone their writing skills.

The Busiest Buzz Buzz Bee is an engaging children's book for early readers. It is a delightful story about a boy who imagines himself being a bee, and all he would do if he had been given the opportunity. His story captures and celebrates the untamed imagination of a child. It is a story that is also meant to inspire self-assurance by showing that confidence and creative thinking will unlock many possibilities, and take you on an unforgettable journey.

Reading for Life

By the time he is twelve, Frank Levy understands that to attain his wishes, he must depend upon himself. In the young adult edition of Life with an Accent we meet Levy as a happy toddler oblivious to political dangers. Seeking safety, in 1936 his family moves from Germany to the British Mandate of Palestine. Ten years later they emigrate to America to be with grandma. Again, Levy must change languages, cultures, even his name. With every effort to adapt, he sees that the history we live through matters.

The World Book Encyclopedia

From "America's nerviest journalist" (Newsweek)--a breath-taking epic, a magnificent adventure story, and an investigation into the true heroism and courage of the first Americans to conquer space. "Tom Wolfe at his very best" (The New York Times Book Review) Millions of words have poured forth about man's trip to the moon, but until now few people have had a sense of the most engrossing side of the adventure; namely, what went on in the minds of the astronauts themselves - in space, on the moon, and even during certain odysseys on earth. It is this, the inner life of the astronauts, that Tom Wolfe describes with his almost uncanny empathetic powers, that made The Right Stuff a classic.

Dyslexia: Time For Talent

Stories for Young Readers, Book 2, by Kinney Brothers Publishing, is a series of ESL readings that includes questions, grammatical explanations, exercises, and puzzles for beginning students. This textbook presents English in clear, grammatically simple, and direct language. Teachers can utilize the stories and exercises in a variety of ways, including listening comprehension, reading, writing, and conversation. Most importantly, the textbook has been designed to extend students' skills and interest in developing their ability to communicate in English.

Global Edition

Pi & The English Alphabet Volume 3 is the continued exploration of sacred number and the mystical properties of language. Delving deeply into such things as the Monogram of Christ, Billiards, the Pythagorean Theorem, the Skull & Bones society as well as the Hebrew, French, German and Spanish alphabets, to name but a few, Pi & TEA Vol. 3 is the ultimate esoteric journey into the mathematics of language.
