-- For First-Year Experience, College Success, and Student Development courses. Written specifically for 1 credit hour student success courses and/or those with blended and online students, it addresses the needs and challenges of students as digital learners. It aligns with learning outcomes from both the Student Success CourseConnect online course and MyStudentSuccessLab. Designed for use as a stand alone text or a print companion with one of these technologies for hybrid, online, or 1 credit hour student success courses. The College Experience Compact provides students with the "unwritten rules" for college success to help them develop a plan to handle any situation. Student success doesn't just happen. Instead, it is a combination of motivation, preparation, knowledge, persistence, and relationships. No matter how prepared some students are for the academic challenges of college, they may not always be ready for the cultural challenges that include understanding professors' expectations and navigating financial issues that are part of the experience. Written to provide clear, concise, and practical information and concepts through a unique Feature set, students are prompted to review important college documents such as the syllabus, consider how to make good choices and maintain their personal integrity, and analyze their own situations and apply the content to new ones. Specifically, students will learn what college expectations are and how to exceed them.

It addresses strategies specific to the hybrid and online learning environment combined with key components, learning styles and critical thinking, from best-selling Keys to Success to help students be effective across the curriculum. Keys to Online Learning addresses though the convenience of online education has enabled greater numbers of students' access to degree programs, being successful in this environment requires specific skills and strategies. Every element can be fundamentally different for online students (i.e. the presentation of material, classmate and instructor interaction, assessments and activities). Students will learn how to effectively experience the online environment learning process as they decide what, how, and when course materials are accessed. Reading skills are required for print and onscreen content. Writing is the main form of communication, informally on discussion boards and formal writing skills in academic papers. Assignments require virtual collaboration, and developing peer relationships requires a different skill set than those used in face-to-face settings. Online education can make a student more anonymous, so motivation and time management is paramount. This resource will support online students to develop the aforementioned skills: reading, writing, assignments, and more, infusing learning styles and critical thinking throughout. 0321944097 / 9780321944092 Keys to Online Learning Plus NEW MyStudentSuccessLab 2013 Update -- Access Card Package consists of: 0321943252 / 9780321943255 NEW MyStudentSuccessLab 2013 Update -- Value Pack Access Card 0132484595 / 9780132484596 Keys to Online Learning
