Unleash the song of your soul with Zen Guitar, a contemplative handbook that draws on ancient Eastern wisdom and applies it to music and performance. Each of us carries a song inside us, the song that makes us human. Zen Guitar provides the key to unlocking this song—a series of life lessons presented through the metaphor of music. Philip Sudo offers his own experiences with music to enable us to rediscover the harmony in each of our lives and open ourselves to Zen awareness uniquely suited to the Western Mind. Through fifty-eight lessons that provide focus and a guide, the reader is led through to Zen awareness. This harmony is further illuminated through quotes from sources ranging from Eric Clapton and Jimi Hendrix to Miles Davis. From those who have never strummed a guitar to the more experienced, Zen Guitar shows how the path of music offers fulfillment in all aspects of life—a winning idea and an instant classic.

**First 50 Rock Songs You Should Play on Electric Guitar**

"The main goal of this book is to present what could be called Brazilian guitar today, working melodically, harmonically and rhythmically in some of the most important Brazilian musical styles. We have chosen to always use two electric guitars in these arrangements (but in the song "Violeiros e Cantadores", which is for solo electric guitar), so that the essential functions of the guitar - rhythm, melody and harmony - might be expressed in the clearest and best way in each different style. We have made three versions of each piece, for ease of study: a complete one, one without the first electric guitar, and one without the second electric guitar. Therefore the student will be able to listen to the complete version and then practice with the other ones, playing the missing parts of the first guitar and the second guitar. At the end of the book, like an appendix, we have included the bass lines used in the recordings to strengthen the rhythmic and harmonic comprehension of each style." All music is in notation and tablature. A free recording of the music is available as an internet download.
