Coat-hanger wire works fine, and a small mirror will help you see under the rim. You can also use wire to loosen debris that may be blocking the siphon jet in the bottom of the

Problem 4: The Dreaded Clog. Clogs are the most common toilet problems. Several tools can help you clear a clogged drain.

Flush (novel) - Wikipedia

Beijing, alternately romanized as Peking, is the capital of the People's Republic of China, the world's third most populous city proper, and most populous capital city. The city, located in northern China, is governed as a municipality under the direct administration of the central government with 16 urban, suburban, and rural districts. Beijing Municipality is surrounded by Hebei Province with the exception of neighboring Tianjin Municipality to the southeast; together, the three divisions form Peeking Under the City by Esther Porter, Andr  s Lozano ...
