Based on extensive reasoning acquisition research,  
this volume provides theoretical and empirical  
considerations of the reasoning that occurs during  
the course of everyday personal and professional

activities. Of particular interest is the text's focus on  
the question of how such reasoning takes place  
during school activities and how students acquire  
reasoning skills.

CHOSEN is a practical guide written by  
seven women who discuss the markings of a  
kingdom woman, using the book of Esther as  
a backdrop. These authors equip readers to  
embrace their royal role within the kingdom  
of God. They do this by identifying three  
characteristic traits every kingdom woman  
should possess; purity, courage and wisdom.  
Let them help you move past insecurities and

lingering wounds. They'll impel you to submit to God's plan and process for your life. Let them inspire you to care for your body, soul and spirit. Let them share with you how to win battles through fasting and praying. It is their prayer that CHOSEN will awaken the royal queen within you! Rise up, you have been CHOSEN for such a time as this!

### **Fairies Afield**

Book Excerpt: ... But she said nothing of the sort of mystery connected with the powder; some instinct

prevented her doing so. Nor did she tell that but a little of it remained, or that their stock of rose-leaves would soon be exhausted."Who knows what may happen before that?" she reflected, and the words of Linde's dream-visitor recurred to her, "Three times, and then ask the robin."Dame Barbara was quite satisfied and greatly delighted."Here," she said, fumbling for her substantial purse, "a groat for two ounces of it, did you say? No, a half-groat only? My dear, you'll have to raise your prices if the perfume is so excellent! Well to begin with, give me the four ounces straight away, and here's a half-groat over and above what it all comes to--dried leaves and fresh ones and flowers, all together--just the tiny silver piece for

luck, you know."...
