I enjoy the whole area of penectomy and castration play. Always had a fantasy of a guy taking my cock and balls to make a nice trophy or even hotter a sausage dinner that he would eat in front of me as I serviced his cock.

All about penectomy - reddit

After a penectomy, everyday tasks can have the potential to get way messier. First off, you have to learn to pee all over again.

Each penectomy is unique, due to where the penis is snipped off

(I cringe just writing that), so there is no standard way to pee -- you have to experiment, and have towels handy.

The Guillotine Story | by Anna Herrington | A Different ...

The operation is called a partial penectomy if only the end of the penis is removed (and some shaft remains). If not enough of the shaft can be saved for the man to urinate standing up without dribbling (at least 2 to 3 cm), a total penectomy will be done. This means the entire penis is removed, including the roots that extend into the pelvis.

Penectomy for Penile Cancer: Recovery, Procedure, and More

A penectomy is the surgical removal of part or all of the penis. This surgery may be required in order to remove cancerous tissue in the penis, or it can be elected as part of a sex reassignment surgery. In rare cases, a penectomy is performed accidentally during circumcision. A penectomy involves the removal of part or all of the penis.
