[Perkins Diesel Spare Parts List](#) Butterworth-Heinemann

There is a lot of movement - also in a figurative sense - when it comes to the diesel engine and diesel-fuel injection, in particular. These developments are now described in the completely revised and updated 3rd Edition of the Diesel-Engine Management reference book. The electronics that control the diesel engine are explained in easy detail. It provides a comprehensive description of all conventional diesel fuel-injection systems. It also contains a competent and detailed introduction to the modern common rail system, Unit Injector System (UIS) and Unit Pump System (UPS), including the radial-piston distributor injection pump.

[Marine Diesel Engine Standards](#) Bentley Pub

Explains how diesel engines work, defines terms, and lifts the veil of mystery that surrounds the subject. This edition also features photographs and includes information about fuel injection systems, electronic engine controls and other diesel technologies and models. It serves as a tool for those who want to become their own diesel mechanic.
