Reports of cases at law and in chancery argued and determined in the Supreme Court of Illinois DIANE Publishing

Few expected politician Abraham Lincoln and Congregational minister Owen Lovejoy to be friends when they met in 1854. One was a cautious lawyer who deplored abolitionists' flouting of the law, the other an outspoken antislavery activist who captained a stop on the Underground Railroad. Yet the two built a relationship that, in Lincoln's words, "was one of increasing respect and esteem." In *Collaborators for Emancipation: Abraham Lincoln and Owen Lovejoy*, the authors examine the thorny issue of the pragmatism typically ascribed to Lincoln versus the radicalism of Lovejoy, and the role each played in ending slavery. Exploring the men's politics, personal traits, and religious convictions, the book traces their separate paths in life as well as their frequent interactions. *Collaborators for Emancipation* shows how Lincoln and Lovejoy influenced one another and analyzes the strategies and

systems of belief each brought to the epic controversies of slavery versus abolition and union versus disunion. Moore and Moore, editors of a previous volume of Lovejoy's writings, use their deep knowledge of his words and life to move beyond mere politics to a nuanced perspective on the fabric of religion and personal background that underlay the minister's worldview. Their multifaceted work of history and biography reveals how Lincoln embraced the radical idea of emancipation, and how Lovejoy shaped his own radicalism to wield the pragmatic political tools needed to reach that ultimate goal.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States (1789-1824)*, the *Register of Debates in Congress (1824-1837)*, and the *Congressional Globe (1833-1873)*

Reports of Cases at Law and in Chancery Argued and Determined in the Supreme Court of Illinois Chicago : S. C. Griggs & Company; New York, Ivison & Phinney

From sapphire, mammy, and jezebel, to the angry black woman, baby mama, and nappy-headed ho, black female iconography has had a long and tortured history in public culture. The telling of this history has long occupied the work of black female theorists—much of which has been foundational in situating black women within the matrix of sociopolitical thought and practice in the United States. *Scandalize My Name* builds upon the rich tradition of this work while approaching the study of black female representation as an opening onto a critical contemplation of the vagaries of black social life. It makes a case for a radical black subject-position that structures and is structured by an intramural social order that revels in the underside of the stereotype and ultimately destabilizes the very notion of “civil society.” At turns memoir, sociological inquiry, literary analysis, and cultural critique, *Scandalize My Name* explores topics as varied as serial murder, reality television, Christian evangelism, teenage pregnancy, and the work of Toni Morrison to advance black feminist practice as a mode through which black sociality is both theorized and made material.

---

In the five state region of Illinois, Indiana, Iowa, Kentucky and Missouri, 1027 men and women are known to have been legally hanged, gassed or electrocuted for capital crimes during the century after the Civil War. Drawing on thousands of hours of research, this comprehensive record covers each execution in chronological order, filling numerous gaps in a largely forgotten story of the American experience. The author presents each case dispassionately with the main focus given to essential facts.
