In the tidal wave of intellectual argument that followed the 2006 release of Richard Dawkins's *God Delusion* book, a fierce debate has raged between atheism and religion over the existence of God, leaving the world's scientists and laymen largely undecided in their opinion. *God's Illusion*

*Machine* presents a fascinating alternative to a debate that has largely been argued within the framework of Christian versus science concepts. Drawing upon the world's oldest body of knowledge (the Vedas), the author describes the massive illusion to which we are all subjected as we mistakenly believe ourselves to be physical creations of the material world. In *God's Illusion Machine*, the material world is gradually exposed as the ultimate virtual reality machine for wayward souls who prefer a self-centred, rather than a God-centred, existence. In contrast to Richard Dawkins's assertion that the religious are suffering a delusion for believing in God, the author argues that both the atheists and the religious are under the spell of God's deluding energy called *Mâyä*, which acts in reciprocation with a soul's desire to be in illusion within the physical realm. By applying the profound spiritual insights of Vedic knowledge along with a healthy dose of common sense and good humour, *God's Illusion Machine* is an enthralling exposé of

---

the deceptive nature of the material world and the false claims of materialists regarding the nature of life and love. It is a triumph of spirituality over both atheistic materialism and religious dogmatism.

*God's Illusion Machine* is a work of major importance realigning Western religion, philosophy, and science with eternal spiritual truths, an enlightening read for both the atheist and the religious, bringing spiritual certainty and true love to bewildered souls in troubled times. For atheists who like a good argument, for the religious who are stuck for a reply to Richard Dawkins, for fans of fantasy and sci-fi where forces of light and illusion contend in battle, and for you, the reader, whatever your disposition, this book will forever change your outlook on life and its meaning. As the rising sun disperses the darkness of night, so in the presence of Krishna (The Absolute Truth), *māyā* (illusion) cannot stand.

*The Path of Perfection* The Bhaktivedanta Book Trust

The quality of our consciousness can go up or down based on how we see the world and act in it. When we act like the eternal spiritual beings that we are – small parts of a supreme whole – makes us happy. But if we focus our attempts at happiness on the temporary body and mind – on matter – and make those our life's priority, our consciousness will shrink and we'll be miserable. Spiritual elevation – raising our consciousness to higher levels – happens quickly when we revive our God consciousness. In this compact book, Srila Prabhupada recommends seeing the world as it is – a temporary place full of anxiety – and then taking the road to higher consciousness by rediscovering our relationship with the Supreme Person, Krishna. Anyone can become elevated; the journey begins with a single step up.

Srila Prabhupada's vivid analysis uncovers the hidden and blatantly unfounded assumptions that underlie currently fashionable doctrines about the origins and purpose of life. This book is based on taped morning-walk conversations between Srila Prabhupada and his disciple Thoudam D. Singh, Ph.D., an organic chemist.

The word dharma, originally from the Sanskrit, refers to the inherent, unchanging nature of something – sugar’s dharma is to be sweet, water’s dharma is to be wet, and fire’s dharma is to emit heat and light. Dharma also refers to our natural duty. We humans have ordinary dharma and an ultimate dharma that relates to who we are at soul level. That dharma requires that we ask existential questions and then seek ultimate answers – questions such as Who am I? Why am I here? and What is my ultimate purpose? Dharma, the Way of Transcendence is a compilation of lectures on

human dharma given by His Divine Grace A. C. Bhaktivedanta Swami Prabhupada in 1972 as he toured India. Here he teaches that the dharma of all humans and every other living embodied soul – is service. No one can exist for a moment without serving someone or something else, even if it’s only the mind and senses. So the question is, whom or what can we serve if we want to be truest to ourselves?

At the final hour . . . This amazing narrative is based on the story of Ajamila from the Sixth Canto of Srimad-Bhagavatam. The law of karma states that we're all responsible for our actions, and death is the crucial moment when mysterious forces acting according to this law work behind the scenes to determine our

destiny. As the sinful Ajamila lay on his deathbed, he was terrified to see three fierce, humanlike creatures coming to drag him out of his dying body and take him to the lord of death for punishment. Surprisingly, Ajamila escaped this terrible fate. How? *A Second Chance: The Story of a Near-Death Experience* teaches vital truths about the fundamental nature of the self and reality. At a time when reincarnation is quickly gaining acceptance, not only with the growing ranks of people reporting out-of-body and near-death experiences but with the public at large, *A Second Chance* can show one how to use meditation and yoga techniques to overcome the obstacles of materialism, meet the challenge of death, and ultimately attain spiritual perfection.
