Simon and Schuster

Success Is Just Around Every Question  
Mark Finally, the friendly comprehensive reference tool every woman is looking for has arrived. Find answers to all of your

personal finance questions, from the simple (What's a good credit score?) to the complex (What are my options in retirement planning?). This book's question and answer format means you don't have to waste time reading every word covered. Biblical references offer proven wisdom from God, and Carolyn Castleberry's practical guidance is easy to implement. Success is simply turning obstacles into opportunities. And that begins with obtaining information that, thanks to this book, is clear, easy to find, and non-intimidating. Carolyn Castleberry, quickly becoming one of America's most trusted names in Christian broadcasting, provides you the answers you seek in every area of personal finance. With her warm, conversational style, Carolyn's "there are

---

no dumb questions” approach makes difficult concepts come alive ... and more importantly make sense (so that you can make the most of your dollars). Honest, straightforward, and easy for anyone to apply, these “answers” stem from a biblically and financially sound foundation—providing the perfect conditions for success. Whether you are looking for freedom to make new career choices, seeking financial security and peace of mind, or you’re on the lookout for the next solid investment, *Women, Get Answers About Your Money* harnesses timely, unique information to empower your life. [Mathematics in Action](#) SphinxLegal This book is a comprehensive and practical guide to the core skills, activities, and behaviors that are required of product managers in modern technology companies.

Product management is one of the fastest growing and most sought-after roles by job seekers and companies alike. The availability of trained and experienced talent can barely keep up with the accelerating demand for new and improved technology products. People from nontechnical and technical backgrounds alike are eager to master this exciting new role. *The Influential Product Manager* teaches product managers how to behave at each stage of the product life cycle to achieve the best outcome for the customer. Product managers are under pressure to drive spectacular results, often without wielding much direct power or authority. If you don't know how to influence people at all levels of the organization, how will you create the best possible product? This comprehensive entry-level textbook distills over twenty years of hard-won field experience and industry knowledge into lessons that will empower new product

---

managers to act like pros right out of the gate. With teaching experience both from UC Berkeley and Lynda.com, the author boils down the most complex topics into principles that are easy to memorize and apply. This book methodically documents the tools product managers everywhere use to align their teams with market needs and organizational goals. From setting priorities to capturing requirements to navigating trade-offs, this book makes it easy. Not only will your product succeed, you'll succeed, too, when you read the final chapter on advancing your career. Let your product's success become your success!

*Fundamentals of Finance* Random House  
The extensively revised 8th edition thoroughly involves readers with Financial Statements by using real-world examples. The emphasis is on the analysis and interpretation of the end result of financial

reporting and financial statements.

*Financial Freedom* McGraw-Hill Education  
This fourth revised and updated edition gives a practical overview of contemporary finance from a New Zealand perspective. It helps students understand: how the financial system and the institutions within it operate; how and why financial decisions are made; the tools, techniques and concepts used in finance, and how they are applied to the major sectors of finance; and how individuals plan their short- and long-term financial activities; how business organisations manage and finance their short- and long-term financial activities. Broad in scope, *Fundamentals of Finance* explains the important financial decisions made by businesses and individuals, and how these decisions are influenced by the financial environment in which we live and work. It provides an introduction to finance that assists students to make their own financial decisions.

---

Helpful features include: examples, self-test questions (with solutions!), learning objectives, a glossary of terms and useful formulae.

### Dave Ramsey's Complete Guide to Money John Wiley & Sons

If you’re looking for practical information to answer all your “How?”

“What?” and “Why?” questions about money, this book is for you. Dave Ramsey’s Complete Guide to Money covers the A to Z of Dave’s money teaching, including how to budget, save, dump debt, and invest. You’ll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all?giving. This is the handbook of Financial Peace University. If you’ve already been through Dave’s nine-week class, you won’t find much new information in this book. This book collects a lot of what he’s been teaching in FPU classes for 20 years, so if you’ve been through class, you’ve already heard it! It also covers the Baby Steps Dave wrote

---

about in *The Total Money Makeover*, and trust us?the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

Personal Finance IGI Global

Young people face unprecedented financial challenges: rising student debt, stiff competition for jobs, barriers to home ownership, dwindling state benefits and prospects of a longer working life. Today, students need financial knowledge and skills more than ever before, not just to build their own financial security, but to create the new generation of advisers that can help all citizens navigate the complex world of personal finance. *Essential Personal Finance* is a guide

to all the key areas of personal finance: budgeting, managing debt, savings and investments, insurance, securing a home and laying the foundations for retirement. It also provides an introduction to some of the essential foundations of a modern undergraduate finance qualification, including: The nature of financial institutions, markets and economic policy that shape the opportunities and decisions that individuals face. The range of financial assets available to households, the risk-return trade-off, basics of portfolio construction and impact of tax. The importance of the efficient market hypothesis and modern portfolio theory in shaping investment strategies and the limitations of these approaches. Behavioural finance as a key to understanding factors influencing individual and market perceptions and actions. Using financial data to inform investment selection and to create financial management tools that

---

can aid decision-making. A comprehensive companion website accompanies the text to enhance students' learning and includes answers to the end-of-chapter questions. Written by authors who contribute experience as financial advisers, practitioners and academics, *Essential Personal Finance* examines the motivations, methods and theories that underpin financial decision-making, as well as offering useful tips and guidance on money management and financial planning. The result is a compelling combination of an undergraduate textbook aimed at students on personal finance and financial services courses, and a practical guide for young people in building their own financial strength and capability.

### **Model Rules of Professional Conduct**

Bloomsbury Publishing

"Personal Finance was written with two simple goals in mind: to help students

develop a strong sense of financial literacy and provide a wide range of pedagogical aids to keep them engaged and on track. This book is a practical introduction that covers all of the fundamentals and introduces conceptual frameworks, such as the life cycle of financial decisions and basic market dynamics, in a way that students can easily grasp and readily use in their personal lives." --Provided by publisher.

*Financial Reporting & Analysis* Nelson  
Thornes

---

have already declared bankruptcy, this book will make the entire process less intimidating and scary. Some of the questions it answers includes: Can a creditor put you in jail if you don't pay your bills? What is the difference between a secured debt and an unsecured debt? a Can I get rid of my student loans by declaring bankruptcy? How long does it take to declare bankruptcy? Will I ever be able to build good credit again?

**Personal Finance** Xlibris Corporation  
Practical guide to making the right decision about long-term health-care  
Personal Finance Houghton Mifflin  
Harcourt

"A gem from one of the most brilliant minds

in personal finance." — Ben Stein, author, actor, TV personality, and New York Times columnist In a financial world gone mad, you still need to manage your money, put your kids through college, and save for retirement. To the rescue comes Jonathan Clements with 21 easy-to-follow rules to help you secure your financial future. Clements has spent a quarter century demystifying Wall Street for ordinary, real people on Main Street, including more than thirteen years as the Wall Street Journal's hugely popular personal-finance columnist. In *The Little Book of Main Street Money*, Clements brings us back to basics, with commonsense suggestions for intelligent money management. Chock-full of financial guidance that will stand up in any market, the book also reflects a financial philosophy

---

that Clements has developed over a lifetime of watching Wall Street and writing about money—and that is even more important in the current volatile market. From the big picture (home, retirement, financial happiness) to the micro (taxes, inflation, investment costs), he offers clear-cut advice for taking control of your financial life, detailing the strategies needed to thrive in today's tough economic times. The 21 truths outlined throughout this book are a guiding light for everyone, young and old, whether starting out or soon retiring. Each chapter reads like a Clements column—clear, pithy, and feisty. From the obvious to the counterintuitive, the truths will bolster your returns, cut your costs, and give you financial peace of mind. Collectively, the 21 truths show you how to think about your entire financial life—not just stocks and bonds, but your home, your debts, your financial promises to your children, your income-earning ability, and so much more. They will help you not only survive today's treacherous financial terrain, but also prepare you for success tomorrow. Renowned for his spirited writing and shrewd investment guidance, Clements is the sane voice investors need to stay grounded in the midst of so much financial insanity.

*Instructor's Manual to Accompany Personal Finance, 6th Edition* John Wiley & Sons

This is an entirely unique educational prosperity-building program unlike any other available today and was created for the benefit of the participants for the

---

common good and future prosperity for each of them. It has become my personal and passionate pursuit and one that has created a Christian-based formula for prosperity success for each of our participants.

**Personal Bankruptcy Answer Book** John Wiley & Sons

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Through the presentation of the Ten Fundamental Principles of Personal Finance, this text empowers students with the knowledge they need to successfully make and carry out a plan for their own financial future.

Prosper Up! Sourcebooks, Inc.

On the Social Web, people share their enthusiasms and expertise on almost

every topic, and based on this, learners can find resources created by individuals with varying expertise. Through this trend and the wide availability of video cameras and authoring tools, people are creating DIY resources and sharing their knowledge, skills, and abilities broadly. While these resources are increasing in availability, what has not been explored is the effectiveness of these resources, peer-to-peer teaching and learning, and how well this content prepares learners for professional roles. Practical Peer-to-Peer Teaching and Learning on the Social Web explores the efficacies of online teaching and learning with materials by peers and provides insights

---

into what is made available for teaching and learning by the broad public. It also considers intended and unintended outcomes of open-shared learning online and discusses practical ethics in teaching and learning online. Covering topics such as learner roles and instructional design, it is ideal for teachers, instructional designers and developers, software developers, user interface designers, researchers, academicians, and students.
