As recognized, adventure as well as experience approximately lesson, amusement, as well as promise can be gotten by just checking out a ebook Personal Memoirs Vol 1 Ulysses S Grant with it is not directly done, you could endure even more something like this life, around the world.

We have enough money you this proper as with ease as simple exaggeration to get those all. We give Personal Memoirs Vol 1 Ulysses S Grant and numerous books collections from fictions to scientific research in any way. in the course of them is this Personal Memoirs Vol 1 Ulysses S Grant that can be your partner.

All Hell Can ' t Stop Them Zenith Press
From the Western frontier to the battlefields of Vicksburg, Chattanooga, Franklin, Petersburg, and Richmond, Grant saw the war

from the front lines and made the decisions that affected lives on a day-to-day basis. His writings provide a revealing look into the life of the commander in chief of the Union army as well as the seminal eyewitness account of the War between the States. The Civil War Memoirs of Ulysses S. Grant is a popular abridgment of his two-volume Personal Memoirs, which he arranged to have published to provide for his family after his death. (It was a huge bestseller and broke all records in American publishing at the time.) He died less than one week after completing its writing. This abridgment covers Grant's experiences in the Civil War, from the first shot at Sumter to

Appomattox, giving the reader a front-line seat next to the greatest Union general of the war. Highlights Include: - General William Tecumseh Sherman on his infamous march through Georgia- General George B. McClellan on the battle of Antietam and the legendary lost order that should have tipped him off to Lee's plans - General George Armstrong Custer's experience of going straight from studying at West Point to the battlefield - General (CSA) James Longstreet on serving under Robert E. Lee - General (CSA) G. Moxley Sorrel on serving under James Longstreet - Major (CSA) J.S.Mosby on the South's Guerilla campaign - General (CSA) Jubal Earley's memoir of the last year of the war. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Ulysses S. Grant: Memoirs and Selected Letters (LOA #50) Forge Books

Grant Under Fire comprehensively dissects the military career of Ulysses S. Grant. Rigorously based on a wealth of primary sources--many not cited before--the book resolves scores of controversies, such as his drunken partying with the enemy on flag-of-truce boats out of Cairo, dishonestly blaming Lew Wallace for the march to Shiloh, pretending that he had the ultimate plan to pass Vicksburg all along, stealing the credit for the charge up Missionary Ridge, and leaving wounded men to suffer and die between the lines at Cold Harbor. Despite his sterling reputation as an officer and a gentleman, he suffered the biggest surprise of the American Civil War, committed the worst official act of anti-Semitism on this nation's soil, and came closest of all Union generals to losing Washington. Defenders rank his generalship above Robert E. Lee's, but to do so, they must ignore his simplistic,

aggressive strategies that led to a war of attrition and the amateurish tactics of impetuous, frontal assaults, all along the line and against fortified positions. Grant Under Fire overturns the familiar renditions by detailing Grant's corruption at Cairo, his occupation of Paducah under orders, his incapacity in the Mississippi Delta, and the army's non-triumphal exit from the Wilderness, as well as debunking a host of other oft-told tales and myths. Personal Memoirs of US Grant. in Two Volumes. Volume 1 Liveright

Publishing
“ The foremost military memoir in the English language, written in a clear, supple style . . . a masterpiece. ”
—Ron Chernow, in Grant Faced with cancer and financial ruin, Ulysses S. Grant wrote his personal memoirs to secure his family's future—and won himself a unique place in American letters. Acclaimed by writers as diverse as Mark Twain and Gertrude Stein, Grant's memoirs

demonstrate the intelligence, intense determination, and laconic modesty that made him the Union's foremost commander. Personal Memoirs is devoted almost entirely to his life as a soldier, tracing the trajectory of his extraordinary career from West Point cadet to general-in-chief of all Union armies. With their directness and clarity, his writings on war are without rival in American literature. This edition of Grant ' s Personal

Memoirs includes an indispensable introduction and explanatory notes by Pulitzer Prize-winning historian James M. McPherson. **Grant and Twain** Penguin completed volume 1 & 2 The Personal Memoirs of U. S. Grant is an personal history by Ulysses S. Grant, the 18th President of the United States, centered primarily on his military career during the Mexican-American War and the American Civil War, and completed as he was dying of throat cancer in 1885. *The 100 Best Nonfiction*

Books of All Time Random House Trade Paperbacks 100 Best Non Fiction Books has its origins in the recent 2 year-long Observer serial which every week featured a work of non fiction). It is also a companion volume to McCrum's very successful 100 Best Novels published by Galileo in 2015. The

list of books starts in 1611 with the King James Bible and ends in 2014 with Elizabeth Kolbert's *The Sixth Extinction*. And in between, on this extraordinary voyage through the written treasures of our culture we meet Pepys' Diaries, Charles Darwin's *The Origin of Species*, Stephen

Hawking's A Brief History of Time and a whole host of additional works. Personal Memoirs of U. S. Grant - Liveright Publishing With kaleidoscopic, trenchant, path-breaking insights, Elizabeth D. Samet has produced the most ambitious edition of Ulysses Grant's Memoirs yet published.

One hundred and thirty-three years after its 1885 publication by Mark Twain, Elizabeth Samet has annotated this lavish edition of Grant's landmark memoir, and expands the Civil War backdrop against which this monumental American life is typically read. No previous edition

combines such a sweep of historical and cultural contexts with the literary authority that Samet, an English professor obsessed with Grant for decades, brings to the table. Whether exploring novels Grant read at West Point or presenting majestic images culled from archives, Samet curates a

richly annotated, highly collectible edition that will fascinate Civil War buffs. The edition also breaks new ground in its attack on the "Lost Cause" revisionism that still distorts our national conversation about the legacy of the Civil War. Never has Grant's transformation from tanner's son

to military leader been more insightfully and passionately explained than in this timely edition, appearing on the 150th anniversary of Grant's 1868 presidential election.

Recollections and Letters

Penguin The Personal Memoirs of Ulysses S. Grant is an autobiography by Ulysses S. Grant,

the 18th President of the United States, focused mainly on his military career during the Mexican-American War and the American Civil War, and completed as he was dying of throat cancer in 1885. The two-volume set was published by Mark Twain shortly after Grant's death.

Memoirs of Robert E. Lee Arkose Press Twenty years after Appomattox, stricken by cancer and facing financial ruin, Ulysses S. Grant wrote his Personal Memoirs to secure his family's future. in doing so, the Civil War's greatest general won himself a unique place in American letters. His character, intelligence, sense of purpose, and simple compassion are evident throughout this vivid and deeply moving account, which has been acclaimed by readers as diverse as Mark Twain, Matthew Arnold, Gertrude Stein, and Edmund Wilson. Annotated and complete with detailed maps, battle plans, and facsimiles reproduced from the original edition, this volume offers an unparalleled vantage on the most terrible, moving, and inexhaustibly fascinating event in American history. included are 174 letters, many of them to his wife, Julia, which offer an intimate view of their affectionate and enduring marriage. U.S. Grant ...Ulysses S. Grant:

Memoirs and Selected Letters (LOA #50) Relive the incredible true-life story of U.S. Grant, who rose through the ranks as a soldier to become one of the Civil War's most influential generals, and the 18th President of the United States. Born in 1822, Ulysses S. Grant gained national fame as The Commanding General of the U.S. Army whose brilliant tactics helped to end the bloody Civil War. After the war, he served as the 18th President of the United States during a period of change, turmoil, and regrowth. Prior to his death in 1885, Grant documented his experiences in a detailed and candid style that tells the remarkable story of an American patriot and military tactical genius. Volume 1 in this two-volume Special Edition set starts with his ancestry and boyhood life in Ohio, continuing to his West Point experiences and distinguished service in the Mexican War. He recounts his private life in the years between the Mexican War to the outbreak of the Civil War, where he started his

The Personal Memoirs of Julia Dent Grant
SIU Press
To many of the Federal soldiers watching the Stars and Stripes unfurl atop Lookout Mountain on the morning of November 25, 1863, it seemed that the battle to relieve Chattanooga

was complete. The Union Army of the Cumberland was no longer trapped in the city, subsisting on short rations and awaiting rescue; instead, they were again on the attack. Ulysses S. Grant did not share their certainty. For Grant, the job he had been sent to accomplish was only hal

f-finished. Braxton Bragg's Confederate Army of Tennessee still held Missionary Ridge, with other Rebels under James Longstreet threatening more Federals in Knoxville, Tennessee. Grant's greatest fear was that the Rebels would slip away before he could deliver the final blows necessary to

crush Bragg completely. That blow landed on the afternoon of November 25. Each of Grant's assembled forces—troops led by Union Generals William T. Sherman, George H. Thomas, and Joseph Hooker—all moved to the attack. Stubbornly, Bragg refused to retreat, and instead accepted battle. That decision would cost him dearly. But everything did not go Grant's way. Despite what Grant's many admirers would later insist was his most successful, most carefully planned battle, Grant's strategy failed him—as did his most trusted commander, Sherman. Victory instead charged straight up the seemingly impregnable slopes of Missionary Ridge's western face, as the men of the much-maligned Army of the Cumberland swarmed up and over Bragg's defenses in an irresistible blue tide. Caught flat-footed by this impetuous charge,

Personal Memoirs Random House Trade Paperbacks

Just as its subject, General Robert E. Lee, was no ordinary man, *The Recollections and Letters* is no ordinary book. In defeat, the formal Confederate general became the personification of the South. This

was a remarkable evolution for a man who in 1861 took up arms against the nation of his birth and subsequently led an army to a devastating end. Lee's transformation from defeated general to American hero was due in part to Robert E. Lee, Jr.'s dedication to his father's memory. In 1904 the younger Lee produced *The Recollections and Letters*, a book made up primarily of the general's personal correspondence, much of which was written to his wife and children. The book provided touching insights into the general's family life, allowing readers to connect with him on a more human level. Any study of Robert E. Lee, the South, the Civil War, or American history is incomplete without *The Recollections and Letters*. *Personal Memoirs of U.S. Grant* ... Library of America NEW YORK TIMES BESTSELLER • From the
