100 Writing Prompts and  
Story Starter for Middle  
School and High School  
Heinemann Educational  
Books

"Heart Maps is a book that I will use and recommend to teachers for years to come."  
-Donalyn Miller, author of The Book Whisperer "You'll find yourself relying on this book again and again as a trusted source as you help your student writers craft a writing life." -Jennifer Serravallo, author of The Reading Strategies Book and the forthcoming The Writing Strategies Book How do we get students to "ache with caring" about their writing instead of mechanically stringing words together? We spend a lot of time teaching the craft of writing but we also need to devote time to helping students write with purpose and meaning. For

decades, Georgia Heard has guided students into more authentic writing experiences by using heart maps to explore what we all hold inside: feelings, passions, vulnerabilities, and wonderings. In Heart Maps, Georgia shares 20 unique, multi-genre heart maps to help your students write from the heart, such as the First Time Heart Map, Family Quilt Heart Map, and People I Admire Heart Map. You'll also find extensive support for using heart maps, including: tips for getting started with heart maps writing ideas to jumpstart student writing in multiple genres from heart maps suggested mentor texts to provide additional inspiration "For twenty years I've been a tour guide of sorts for heart-mapping writers," says Georgia. "All you need is paper, pen, an open heart and

---

a willingness to explore what matters to you." It is this freedom, this idea of discovery, that makes heart-mapping so inviting; students find they have a lot to write about both beloved and newly discovered topics. Filled with full-color student heart maps, examples of the resulting writing, along with online access to 20 different uniquely designed reproducible heart map templates, Heart Maps will be a practical tool for awakening new writing possibilities and engaging and motivating your students' writing throughout the year.

Norton & Company

Karl Marx and Abraham

Lincoln exchanged letters at the end of the Civil War.

Although they were divided by far more than the Atlantic Ocean, they agreed on the cause of "free labor" and the urgent need to end slavery. In

his introduction, Robin Blackburn argues that Lincoln's response signaled the importance of the German American community and the role of the international communists in opposing European recognition of the Confederacy. The ideals of communism, voiced through the International Working Men's Association, attracted many thousands of supporters throughout the US, and helped spread the demand for an eight-hour day. Blackburn shows how the IWA in America—born out of the Civil War—sought to radicalize Lincoln's unfinished revolution and to advance the rights of labor, uniting black and white, men and women, native and foreign-born. The International contributed to a profound critique of the capitalist robber barons who enriched themselves during and after the war, and it inspired an extraordinary series of strikes and class struggles in the postwar decades. In addition to a range of key texts and

---

letters by both Lincoln and Marx, this book includes articles from the radical New York-based journal Woodhull and Claflin's Weekly, an extract from Thomas Fortune's classic work on racism Black and White, Frederick Engels on the progress of US labor in the 1880s, and Lucy Parson's speech at the founding of the Industrial Workers of the World.

A Boy's Journal for Discovering and Sharing Excellence Evan Moor Educational Publishers Offers examples that illustrate descriptive writing and tips for brainstorming, writing the first draft, checking and refining, and sharing written work.

Routledge

"Writing allows each of us to live with that special wide-awakeness that comes from knowing that our lives and our ideas are worth writing about." -Lucy Calkins Teaching Writing is Lucy Calkins at her best-a

distillation of the work that's placed Lucy and her colleagues at the forefront of the teaching of writing for over thirty years. This book promises to inspire teachers to teach with renewed passion and power and to invigorate the entire school day. This is a book for readers who want an introduction to the writing workshop, and for those who've lived and breathed this work for decades.

Although Lucy addresses the familiar topics-the writing process, conferring, kinds of writing, and writing assessment- she helps us see those topics with new eyes. She clears away the debris to show us the teeny details, and she shows us the majesty and meaning, too, in these simple yet powerful teaching acts. Download a sample chapter for more

### Writing to Describe

501 Writing Prompts" This eBook features 501 sample writing prompts that are designed to help you improve your writing and gain the necessary writing skills needed to ace essay exams. Build your essay-writing confidence fast with 501 Writing Prompts!" --WritingGrade 5 When you finally have the opportunity to sit down and write, you want absolutely

---

nothing to get in your way. In an ideal world, the ideas would flow from head to pen quickly and easily. You would have thousands of ideas at your fingertips. This new idea-generating book makes that dream a reality. With exactly one thousand prompts, 1,000 Creative Writing Prompts: Ideas for Blogs, Scripts, Stories and More is truly a cure for writer's block. These story starters cover a large range of topics, including: \*

- Holidays \*
- College \*
- Health \*
- Regrets \*
- Nature \*
- Shakespeare \*
- Religion \*
- The American Dream \*

...and over 40 more! These prompts help you to write from the

heart so that you can relate to your audience. They work for blogs, scripts, stories, poems, essays and anything else that requires that you write with no interruptions.

Grade 4 Verso Books Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the

---

country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

365 Creative Writing Prompts Penguin UK  
"HELP! My Students Can't Write!" Why You Need a Writing Revolution in Your Classroom and How to Lead It. The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has

demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback.

Insurmountable as the challenges faced by many students may seem, TWR can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities TWR is as much a method of teaching content as it is a method of teaching writing. There's no

---

separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Ideas for Blogs,  
Scripts, Stories and  
More Albert Whitman  
& Company  
How did Patricia Polacco become a writer? A perfect companion to the classic Thank You, Mr. Falker, The Art of Miss Chew, and Mr. Wayne 's Masterpiece, this book celebrates a teacher who inspired a young Patricia Polacco to become the writer and storyteller she is today. Trisha is nervous about being chosen for Miss Keller ' s writing class. " Killer Keller " demands that her students dazzle her with their writing, and rumor has it that she has never given an A. The rumors turn out to be all too true—there ' s just no pleasing Miss Keller. Then an unexpected loss leaves Trisha heartbroken. Thoughts of teachers and grades

---

forgotten, she pours out her soul in a personal narrative. And when Miss Keller reads it, she tells Trisha, “You’ve given your words wings.”

Interactive Writing  
Dragonfly

“Vex, Hex, Smash, Smooch is more than just a writing handbook; it’s a key to unlocking every writer’s innate creativity by offering countless paths to verbal expressiveness.”

—San Francisco Chronicle

Great sentences pivot on great verbs. In Vex, Hex, Smash, Smooch, Constance Hale, best-selling author of *Sin and Syntax*, zeroes in on verbs that make bad writing sour and good writing sing. Each chapter in Vex, Hex, Smash, Smooch features four sections: “Vex” tackles tough syntax, “Hex” debunks myths about verbs, “Smash” warns of bad writing habits, and “Smooch” showcases exemplary writing. A veteran journalist and writing teacher, Hale peppers her advice with pop-culture references and adapts her expertise for writers of every level. With examples ranging from the tangled clauses of Henry James and the piercing insight of Joan Didion to the punchy gerunds of the Coen brothers and the passive verbs of CEOs on trial, Vex, Hex, Smash, Smooch offers a reenergized take on the “little despot of the sentence.”
