2 Personal Philosophy Appropriate behavior is how a student is supposed to act in response to what is going on and is showing acceptable actions. I have been teaching for fifteen years and finding a classroom management plan that works is always depending on the students I have that year. I might have a plan that worked wonderful last year but might not work with this year.

My Personal Philosophy Essay Example | PROFESSAY Samples Philosophy papers usually involve both exposition and evaluation. In the expository part of the paper, your task is to explain the view or argument under consideration. Make sure that your explanation is as explicit as possible. The evaluation part of the paper is your chance to do some philosophy of your own.

A personal philosophy statement serves as an introduction to you, focusing more on your beliefs and values than on life experiences and biographical data. These are most often used in teaching programs and apply specifically to your ideas about teaching and learning. However, you might be asked to write a personal philosophy statement as a college assignment or for an application when applying for a job, a scholarship, or for admission to a university or program.
