STREAMING SERIES REACHER A heart-

racing page-turner that hits the ground running and then accelerates all the way to a colossal showdown "Jack Reacher is the coolest continuing series character now on offer."—Stephen King, in *Entertainment Weekly* There's deadly trouble in the corn country of Nebraska . . . and Jack Reacher walks right into it. First he falls foul of the Duncans, a local clan that has terrified an entire county into submission. But it's the unsolved case of a missing child, already decades old, that Reacher can't let go. The Duncans want Reacher gone—and it's not just past secrets they're trying to hide.

They're awaiting a secret shipment that's already late—and they have the kind of customers no one can afford to annoy. For as dangerous as the Duncans are, they're just the bottom of a criminal food chain stretching halfway around the world. For Reacher, it would have made much more sense to keep on going, to put some distance between himself and the hard-core trouble that's bearing down on him. For Reacher, that was also impossible.

Ever since his younger sister Martha woke him early one Sunday morning holding a Rubic's Cube in the palm of her hand with all the colored squares in perfect alignment, in some backward way, twelve-year-old Richard Baimbridge became his sister's motivation. If she saw me give up on anything, regardless of how insignificant-forgetting a phone number, finding the right nut to fit a bolt, or fixing a broken toy-she'd go after it with fanaticism and would not give up until she'd figured it out. Being better than Richard challenged Martha and when she succeeded, it fulfilled her. Richard was proud of her, but not like their Dad. Their Dad loved it. It seemed the more Martha outdid Richard, the more he

liked it. By the time Richard left home at eighteen, there was a gap between his father and him that an ocean couldn't fill. But when Martha is brutally attacked while investigating the rape and attempted murder of a thirteen-year old for the News & Observer, Richard Baimbridge moves back to his hometown of Wilmington, North Carolina, to assist his family in caring for his sister and comes face to face with his tormented past and a dark family secret. Despised by his father and haunted by his past, he fights to stay above the flood of childhood trauma while longing to return to the life he'd built in New York City. But when the police exhaust all leads in his sister's case, wheelchair-bound Martha refuses to let her case die and, with Richard as her legs, insists on continuing the investigation herself, drawing Richard into the darker side of Wilmington - a place of greed, violence, and murder - where he, himself, becomes a primary murder suspect.
