*TASC Prep* Bloomsbury Publishing  
Discovering Public Relations introduces students to the field of PR

---

in a practical, applied, and hands-on way that prepares them for the modern workplace. Author Karen Freberg guides students through the evolution of contemporary PR practices with an emphasis on social media, digital communication, creativity, and diversity.

Understanding that innovation alone can't create success, Freberg shows students how to use, choose, and implement evidence-based practices to guide their strategic campaigns. The text will transform today's students into tomorrow's successful PR professionals by giving them the tools to think creatively, innovate effectively, and deploy research-backed tactics for successful campaigns. Included with this title: The password-protected Instructor Resource Site

(formally known as SAGE Edge) offers access to all text-specific resources, including a test bank and editable, chapter-specific PowerPoint® slides. Learn more.

Literacy, Numeracy and Problem Solving in Technology-Rich Environments Framework for the OECD Survey of Adult Skills Cengage Learning

Resources for 21st-Century Classrooms

Cengage Learning

Use graphic novels to teach visual and verbal literacy While our kids today are communicating outside the classroom in abbreviated text bursts with visual icons, teachers are required to teach them to critically listen, think, and read and write complex texts. Graphic novels are a uniquely poised vehicle we can use to bridge this dissonance between student communication skills and preferences with mandated educational goals. Worth a Thousand Words details how and why graphic novels are complex texts with advanced-level vocabulary, and

demonstrates how to read and analyze these texts. It includes practical advice on how to integrate these books into both ELA and content-area classrooms and provides an extensive list of appropriate graphic novels for K-8 students, lesson suggestions, paired graphic/prose reading suggestions, and additional resources for taking these texts further. Provides research to back up why graphic novels are such powerful educational tools Helps you engage diverse student learners with exciting texts Shows you how to make lessons more meaningful Offers advice on implementing new literary mediums into your classroom Perfect for parents and teachers in grades

---

K-8, Worth a Thousand Words opens up an exciting new world for teaching children visual and verbal literacy.

Discovering Public  
Relations Insight  
Publications

This remarkable book  
shows teachers how to  
inspire students to  
learn to write and  
write to learn.

Committed to the  
premise that all  
students can learn to  
write with appropriate  
teaching, modelling,  
and practice, it  
argues that reading  
and writing go hand in  
hand. Through reading,  
writing and the  
inevitable discussions  
that follow, students  
learn from the  
experiences of others,

powerful mentor texts  
to create classrooms  
where students enjoy  
putting pencil to  
paper and taking the  
necessary risks to  
grow and flourish as  
writers.
