How do you ensure your students have a full understanding of grammar use, meaning, and form? Using an inquiry-based approach to learning, Oxford Discover develops the communication skills and thinking skills students need for success in the 21st century. Who are your family and friends? Where can we see colors? How can we make music? Oxford Discover uses Big Questions such as these to tap into students' natural curiosity. It enables them to ask their own questions, find their own answers, and explore the world around them. This approach to language learning and literacy, supported by a

controlled grammar and skills syllabus, helps students achieve near-native fluency in English. Oxford Discover gives teachers the tools to develop children's 21st century skills, creating young thinkers with great futures. Use with Show and Tell as part of 9-level course.

There can be no area of human experience that

has generated a wider range of powerful feelings than war. Jon Stallworthy's classic and celebrated anthology spans centuries of human experience of war, from Homer's Iliad, through the First and Second World Wars, the Vietnam War, and the wars fought since. This new edition, published to mark the centenary of the outbreak of the First World War, includes a new introduction additional poems from David Harsent and Peter Wyton

amongst others. The new selection provides improved coverage of the two World Wars and the Vietnam War, and new coverage of the wars of the late twentieth and early twenty-first centuries.

Alistair Fowler's celebrated anthology includes generous selections from the work of all the century's major poets, notably Donne, Jonson,

Milton, Drayton, Herbert, Marvell, and Dryden. It strikes a balance between Metaphysical wit and intellect and Jonsonian simplicity, while also accommodating hitherto neglected popular verse. The result is a truer, more Catholic representation of seventeenth-century verse than any previous anthology. **The Oxford Book of Days** OUP Oxford

Oxford Book of Days Oxford University Press

Published in 1994 to worldwide acclaim, the first edition of Jancis Robinson's seminal volume immediately attained legendary status, winning every major wine book award including the Glenfiddich and Julia Child/IACP awards, as well as writer and woman of the year accolades for its editor on both sides of the Atlantic. Combining meticulously-researched fact with refreshing opinion and wit, *The Oxford Companion to Wine* presents almost 4,000 entries on every wine-related topic imaginable, from regions and grape varieties to the owners, connoisseurs, growers, and tasters in wine through the ages; from viticulture and oenology to the history of wine, from its origins to the present day. The 187 esteemed contributors (including over 50 new to this edition) range from internationally renowned academics to some of the most famous wine writers and wine specialists in the world. Now exhaustively updated, this fourth edition incorporates the very latest international research to present over 350 new entries on topics ranging from additives and wine apps to WSET and Zelen. Over 60 per cent of all entries have been revised; and useful lists and statistics are appended, including a unique list of the world's controlled appellations and their permitted grape varieties, as well as vineyard area, wine production and consumption by country. Illustrated with almost 30 updated maps of every important wine region in the world, many useful charts and diagrams, and 16 stunning colour photographs, this *Companion* is unlike any other wine book, offering an understanding of wine in all of its wider contexts--notably

historical, cultural, and scientific--and serving as a truly companionable point of reference into which any wine-lover can dip and browse. New to this editionComprehensively revised and updated throughout Over 350 brand-new entries Significant new updates on hundreds of topics such as China, screwcaps, and the origins of viniculture Impressive global coverage of wine regions, including new entries on Alaska, Lesotho, Norway, and Tahiti Includes brand-new colour photographs and black and white line drawings Maps of wine regions

This is the ultimate anthology of theatrical anecdotes, edited by lifelong theatre-lover Gyles

Brandreth in the Oxford tradition, and covering every kind of theatrical story and experience from the age of Shakespeare and Marlowe to the age of Stoppard and Mamet, from Richard Burbage to Richard Briers, from Nell Gwynn to Daniel Day-Lewis, from Sarah Bernhardt to Judi Dench. Players, playwrights, prompters, producers—they all feature. The Oxford Book of Theatrical Anecdotes provides a comprehensive, revealing, and hugely entertaining portrait of the world of theatre across four hundred years. Many of the anecdotes are humorous: all have something pertinent and illuminating to say about an aspect of theatrical life—whether it is the

art of playwriting, the craft of covering up missed cues, the drama of the First Night, the nightmare of touring, or the secret ingredients of star quality. Edmund Kean, Henry Irving, John Gielgud, Laurence Olivier, Ellen Terry, Edith Evans, Maggie Smith, Helen Mirren—the great 'names' are all here, of course, but there are tales of the unexpected, too—and the unknown. This is a book—presented in five acts, with a suitably anecdotal and personal prologue from Gyles Brandreth—where, once in a while, the understudy takes centre-stage and Gyles Brandreth treats triumph and disaster just the same, including stories from the tattiest touring companies as well as from

Broadway, the West End and theatres, large and small, in Australia, India, and across Europe.
