Ida Tarbell Stranje House Novels
In this first definitive biography of Ida Tarbell, Kathleen Brady has written a readable and widely acclaimed book about one of America's great journalists. Ida Tarbell's generation called her "a muckraker" (the term was Theodore Roosevelt's, and he didn't intend it as a compliment), but in our time she would have been known as "an investigative reporter," with the celebrity of Woodward and Bernstein. By any description, Ida Tarbell was one of the most powerful women of her time in the United States: admired, feared, hated. When her *History of the Standard Oil Company* was published, first in McClure's Magazine and then as a book (1904), it shook the Rockefeller interests, caused national outrage, and led the Supreme Court to fragment the giant monopoly. A journalist of extraordinary intelligence, accuracy, and courage, she was also the author of the influential and popular books on Napoleon and Abraham Lincoln, and her hundreds of articles dealt with public figures

such as Louis Pateur and Emile Zola, and contemporary issues such as tariff policy and labor. During her long life, she knew Teddy Roosevelt, Jane Addams, Henry James, Samuel McClure, Lincoln Stephens, Herbert Hoover, and many other prominent Americans. She achieved more than almost any woman of her generation, but she was an antisuffragist, believing that the traditional roles of wife and mother were more important than public life. She ultimately defended the business interests she had once attacked. To this day, her opposition to women's rights disturbs some feminists. Kathleen Brady writes of her: "[She did not have] the flinty stuff of which the cutting edge of any revolution is made. . . . Yet she was called to achievement in a day when women were called only to exist. Her triumph was that she succeeded. Her tragedy was that she was never to know it."

As a young girl, she was wounded by Colton's stubborn refusal to comply with his father's wishes and by his angry departure. He was too proud and too

The years have been immensely kind to Lady Adriana. No longer the plain, thin tomboy Colton had spurned, she has blossomed into an uncommon beauty desired by nearly every eligible bachelor in the land. Arrogant, unmoved, and seductive as ever, he remains averse to the idea of their betrothal in spite of his growing desire for her. To demonstrate his belief that love cannot be forced, Colton agrees to court Lady Adriana for ninety days, after which time

he will be allowed to keep his precious freedom if he so wishes. But much has changed since he balked at his father's plans. Everlasting Simon and Schuster

In this group biography of the women who featured in the lives of the poets William Wordsworth, Samuel Taylor Coleridge, and Robert Southey, Kathleen Jones takes us into the kitchens, sickrooms, and eventually the madwoman's attics of these major Romantic households. The image of the familiar rustic idyll of Romantic poetry depends upon the bracing way these women bore the brunt of domestic realities. Their letters and journals form the basis for an illuminating new account of

their interconnected lives--their passionate attachments, jealousies, the deaths of children, the realities of chronic ill health--at the same time contributing to our understanding of Wordsworth, Coleridge, and Southey as all-too-fallible human beings.
