REA's PTCE (Pharmacy Technician Certification Exam) Flashcard Book Updated Second Edition 500 Questions & Answers You Need to Know This latest addition to our Health Sciences series of flashcards is designed to help PTCE candidates check their test-readiness before taking the Pharmacy Technician Certification Exam. Unlike most flashcards that come in a box, our cards are bound in an easy-to-use, organized book that makes it convenient to study anywhere. Written by a seasoned pharmacy technician instructor and based on the most recent exam, our study supplement covers everything you need to know for the PTCE: assisting the pharmacist in serving patients, maintaining medication and inventory control systems, and participating in the management of pharmacy practice. The flashcards are broken down by PTCE test topics and include multiple-choice questions with detailed answer explanations. The questions are similar to what you may encounter on the PTCE. The 500 flashcards are divided as follows:  
\* 200 flashcards focused on the top 200 brand/generic drug names including their respective drug classes, indications, side effects, and special considerations \* 50 flashcards focused on pharmaceutical terms and abbreviations \* 250 flashcards focused on PTCE review material: - 165 flashcards on Assisting the Pharmacist in Serving Patients - 55 flashcards on Maintaining Medication and

Inventory Control Systems - 30 flashcards on Participating in the Administration and Management of Pharmacy Practice After studying with the book, go online and review what you have learned at REA's Study Center. Our customizable e-flashcards and 3 practice quizzes give you the freedom to create your own PTCE study plan and study anywhere, anytime. You can also create your own unique flashcards for any sections of the test that give you difficulty. This flashcard book and the online tools that come with it, will help you personalize your PTCE prep by testing your understanding, pinpointing your weaknesses, and delivering flashcard study materials unique to you. If you're a pharmacy tech student and want extra practice and review before the exam, REA's PTCE Flashcard Book is the right Rx for your study needs. the PTCB Exam is a comprehensive approach to preparing for the pharmacy technician certification exam. It does not try to cover every aspect about the field of pharmacy. Rather, it targets the information that is relevant to the certification exam. The text includes drug information, test-taking strategies, examples and practice questions that will prepare a student to pass the test the first time. . Instruction in all test areas: math, law, hospital, drug information. . Contains strategies you MUST know to ace the exam. . Over 750 practice questions that will familiarize you with the PTCB format and help you master the techniques taught. . Detailed answer explanations that will help you avoid making the same mistake twice. . Pharmacy calculations are completely worked out so that all math problems on the exam can be easily understood and solved. . Gives unique ways to learn many of the drugs that will be on the exam. . Includes three practice PTCB tests. All of these questions are similar to those that you will see on the actual PTCB exam. . Covers pharmacy law and hospital information in a way that will make it easy to recall the information. . Contains a list of the top 200 drugs with brand, generic, indication and class. Guide 2020 and 2021 PTCB Exam Study Guide 2020-2021 and Practice Test Questions [Updated for the New Outline] When it comes to investing in a PTCB exam review book, you have a lot of options. To help you make your decision easier, we have created a list of the top 5 factors you should consider when choosing a study guide. Top 5 factors to consider when selecting a PTCB exam study guide: #1 --Up To Date-- Standardized exams are always evolving. Make sure you prepare yourself with a study guide that is up to date with current information and current laws. #2 --Practice Questions-- You can read until you're blue in the face, but the best way to learn is to do it yourself! That is why PTCB Exam Simplified is packed full of examples and practice problems. #3 --Manageable Size-- You really need to consider how much content you can reasonably review

before the exam. You need a study guide that gives you just the right balance of information, not too much and not too little. PTCB Exam Simplified provides just the right amount of information. Though I did not obtain her endorsement personally, I am pretty certain Goldilocks would choose PTCB Exam Simplified if she were preparing to take the PTCE. #4 --A Substantial Review of Pharmacy Calculations-- Math problems make up a large portion of the PTCB exam, and you need to be prepared in order to be successful. Many of the best-selling PTCB exam study guides fail to prepare students adequately in this category, but PTCB Exam Simplified provides a thorough review of pharmacy calculations. #5 --Study and Quiz Yourself at the Same Time-- You want a study guide that can equip you with exam-relevant knowledge as quickly as possible.

PTCB Exam Simplified does this by providing you with questions and answers that allow you to quiz yourself as you study. *PTCB Exam Simplified* Dog Ear Publishing Many people loved the 1st edition of "PTCB Exam Simplified." Now we're giving you even more to love! With new features like detailed tables, charts, and illustrations to facilitate quick learning, and a full-length practice exam, "PTCB Exam Simplified" is better than ever! How did we develop such an outstanding study guide? We focused on the key elements every student is looking for: Relevant Don't buy a study guide that is bursting at the seams with unnecessary information. With "PTCB Exam Simplified," you can rest assured knowing that the information is relevant. Why? Because we focus only on key topics outlined on the PTCB exam blueprint. Current Standardized

exams are always evolving. Make sure you prepare with a study guide that is up-to-date. Based on the most recent exam blueprint, "PTCB Exam Simplified" is as up-to-date as it gets! Practical You can read until you're blue in the face, but the best way to learn is by solving problems. "PTCB Exam Simplified" is packed with practice problems and examples.
