[Losing the Long Game](#) John Wiley & Sons

Since reigning poker expert Phil Gordon's Little Green Book illuminated the strategies and philosophies necessary to win at No Limit Texas Hold'em, poker has changed quickly and dramatically. Today, Pot Limit Omaha is the game of choice at nosebleed stakes. The players are aggressive, the games are volatile, the decisions are tough, and the pressure is relentless. This is Poker 2.0. In his Little Gold Book, Phil Gordon reexamines the game from the ground up. The key to competing with today's top players is finding the post-flop edge, but to really understand this new playing style, you need to get comfortable with the underlying math. Don't be intimidated. Gordon makes this challenging material as approachable and simple as possible. Beginning with the foundations of Poker 2.0, he unpacks the modern poker player's tool kit, rigorously examines the new lines of play in No Limit Hold'em, dissects the fast and furious strategies of Pot Limit Omaha, and explores the winning poker mind-set that will take your game to an entirely different level. The golden age of poker is upon us. Phil Gordon's Little Gold Book will shorten your learning curve, and if you're willing to put in the time and the work, big bankrolls await.

White Sands, Red Menace Batsford

Phil Gordon—world-class poker player, co-host of *Celebrity Poker Showdown*, and author of *Poker: The Real Deal*—poured every single thing he knows about No Limit Texas Hold'em into this calendar. Each page contains Gordon's accessible explanations, invaluable tips, and expert advice that inspire the kind of persistence and motivation necessary to improve any player's game. Poker is now the third most-watched televised sport on cable TV—behind only car racing and football. Online poker has grown from a \$300 million-a-year industry in 2003 to a \$2.9 billion one in 2005. A Google search for Texas Hold'em turns up more than 6 million links.

Excelling at No-Limit Hold'em is a sensation in poker publishing. Renowned poker professional and author Jonathan Little brings together 17 of the greatest no-limit experts in the world to discuss all aspects of the game. These experts include superstars such as Phil Hellmuth, Chris Moneymaker, Mike Sexton and Jared Tendler. In Part 1 strategies are analysed for topics such as understanding the fundamentals, satellite play, lower-buy in events, analysing tells and moving up in stakes Part 2 sees a thorough technical breakdown of the game including sections on range analysis, game theory optimal play, short stack strategies, value betting and final table play. As any serious poker will confirm, the technical side is only half the battle and so Part 3 deals with mental toughness, psychology and understanding tilt. Excelling at No-Limit Hold 'em provides all the tools that an aspiring player needs to understand no-limit hold 'em. It is a must buy for anyone who is serious about wanting to improve their poker.

Poker Scholastic Canada

"The Kill Phil" strategy remains highly effective when used in confrontations with even the world's best players, but tournament play is evolving. This edition reflects the new trends in tournament poker by refining the use of the all-in move and providing adaptations that take into account the new style of hyper-aggressive play.

Like a secret society, poker has its own language and customs -- its own governing logic and

rules of etiquette that the uninitiated may find intimidating. It's a game of skill, and playing well depends on more than just a good hand or the ability to hide emotion. The first step toward developing a style of play worthy of the greats is learning to think like a poker player. In a game where there are no absolutes, mastering the basics is only the beginning -- being able to pull off the strategy and theatrics is the difference between legendary wins and epic failure.

Heads-Up Tournament Poker: Hand-By-Hand St. Martin's Press

In three books, Phil Gordon will teach you how to handle any hand that may come your way in No Limit Texas Hold'em. [Phil Gordon's Little Green Book: Lessons and Teachings in No Limit Texas Hold'em](#) Harper Collins

Tournament poker is very different from standard ring game poker. While they might appear the same from a distance, there are many differences in proper strategy that are often unknown to many experienced cash game players. Some people excel at tournament poker. This is not luck. These are players who have an advanced understanding of what the proper strategy adjustments are, and when they come into play. It is no coincidence that the same competitors make it to final tables far more than their fair share. This book explains tournament strategies that only a small number of players have mastered. It assumes you already know how to play poker well, but aren't knowledgeable of tournament-specific concepts and when and where to use them. Some of the ideas discussed include: the effect of going broke, the Gap Concept, how chips change value, adjusting strategy to rising stakes, all-in strategy, final table play, making deals, the "System," focusing on weaker opponents, unusual plays with aces and kings, moving in against the blind, and much more. This newly-expanded version contains over 100 new pages of updated material dedicated almost entirely to today's most popular form of tournament poker: no-limit hold 'em.

Code Green Harper Collins

Whether it's a friendly kitchen-table game with friends, or the high-stakes world of multimillion dollar tournaments, *The Total Poker Manual* is packed with strategies, and techniques to help you walk away a winner. *The Total Poker Player Manual* covers everything, from the basics of each type of game and the hands needed to win, to the insider tips such as specific strategies for different versions and how to beat the odds. You 'll learn how two of the best heads-up tournament players think through every decision in more than 600 hands as they battle their way to the final round in the prestigious NBC Heads-Up Championship. You 'll see their cards and hear their thoughts through twelve matches as they devise masterful strategies to defeat world-class opponents. Annie Duke and Vanessa Rousso give you a powerful mix of the practice, theory, and strategies for heads-up tournaments—where you must risk chips on every hand you 're dealt—and show you what they did to beat the best players in the world. You 'll see what works and what doesn 't as amazing bluffs and poorly executed tactics are deconstructed. You 'll learn how to design a game plan for each opponent, how to adjust your plan as the match progresses, how to play against pros and amateurs alike, and how to get the best of it against superior opponents. Their detailed analysis of when to change your strategy due to fluctuating chip counts, the flow of the match, and dynamic maneuvers make this book the bible of heads-up play.

The Rule of Four Two Plus Two Publishing LLC

From the New York Times bestselling author of *The Unteachables*, Gordon Korman, comes a hilarious middle grade novel about a group of kids forced to "unplug" at a wellness camp—where they instead find intrigue, adventure, and a whole lot of chaos. Perfect for fans of Korman 's *Ungifted* and the *Masterminds* series, as well as Carl Hiaasen 's eco mysteries. As the son of the world 's most famous tech billionaire, spoiled Jett Baranov has always gotten what he wanted. So when his father 's private jet drops him in the middle of the Arkansas wilderness, at a place called the Oasis, Jett can 't believe it. He 's forced to hand over his cell phone, eat grainy veggie patties, and participate in wholesome activities with the other kids, who he has absolutely no interest in hanging out with. As the weeks go on, Jett starts to get used to the unplugged life and even bonds with the other kids over their discovery of a baby-lizard-turned-pet, Needles. But he can 't help noticing that the adults at the Oasis are acting really strange. Jett is determined to get to the bottom of things, but can he convince everybody that he is no longer just a spoiled brat who is making trouble?

[Jonathan Little's Excelling at No-Limit Hold'em](#) John Wiley & Sons

We are on the verge of the nation's worst nursing shortage in history. Dedicated nurses are leaving hospitals in droves, and there are not enough new recruits to the profession to meet demand. Even hospitals that were once very highly regarded for the quality of their nursing care, such as Boston's Beth Israel Deaconess Medical Center, now struggle to fill vacant positions. What happened? Dana Beth Weinberg argues that hospital restructuring in the 1990s is to blame. In their attempts to retain profit margins or even just to stay afloat, hospitals adopted a common set of practices to cut costs and increase revenues. Many strategies squeezed greater productivity out of nurses and other hospital workers. Nurses' workloads increased to the point that even the most skilled nurses questioned whether they could provide minimal, safe care to patients. As hospitals hemorrhaged money, it seemed that no one—not hospital administrators, not doctors—felt they could afford to listen to nurses. Through a careful look at the effects of the restructuring strategies chosen and implemented by Beth Israel Deaconess Medical Center, the author examines management's efforts to balance service and survival. By showing the effects of hospital restructuring on nurses' ability to plan, evaluate, and deliver excellent care, Weinberg provides a stinging indictment of standard industry practices that underestimate the contribution nurses make both to hospitals and to patient care.

"Now, for the millions of poker players who know the basics, but do not fully understand the logic and principles of skillful play, here is a serious, comprehensive guide that shows how to think like a professional poker player"--Page 4 of cover.

Deal Me in Simon and Schuster

Rough sex, black magic, murder, and the science-and eros-of gambling meet in the ultimate book about Las Vegas James McManus was sent to Las Vegas by Harper's to cover the World Series of Poker in 2000, especially the mushrooming progress of women in the \$23 million event, and the murder of Ted Binion, the tournament's prodigal host, purportedly done in by a stripper and her boyfriend with a technique so outré it took a Manhattan pathologist to identify it. Whether a jury would convict the attractive young couple was another story altogether. McManus risks his entire Harper's advance in a long-shot attempt to play in the tournament himself. Only with actual table experience, he tells his skeptical wife, can he capture the hair-raising brand of poker that determines the world champion. The heart of the book is his deliciously suspenseful account of the tournament itself—the players, the hand-to-hand combat, and his own unlikely progress in it. Written in the tradition of *The Gambler* and *The Biggest Game in Town*, *Positively Fifth Street* is a high-stakes adventure, a penetrating study of America's card game, and a terrifying but often hilarious account of one man's effort to understand what Edward O. Wilson has called "Pleistocene exigencies"—the eros and logistics of our primary competitive instincts.

Phil Gordon's Little Green Book Simon and Schuster

[Phil Gordon's Little Blue Book](#) D&B Publishing

In *Poker: The Real Deal* and *Phil Gordon's Little Green Book*, Phil Gordon -- a world-class player and teacher -- shared the strategies, tips, and expertise he's gleaned during his phenomenally successful career. Now he shows players how to apply those theories to actual hands in order to make smart, confident decisions with every move. Gordon walks readers

through hands that he's encountered in cash games; early, middle, and late tournament play; Sit & Gos; satellites and supersatellites; and the final table of the World Series of Poker, revealing not only what plays he made but also why he made them. He relates what goes through a pro's mind in every situation, whether it's a timely bluff or a questionable call, and helps players calculate their own best moves in the most pressure-fueled of situations. In analyzing specific hands, Gordon also imparts important lessons in key poker skills such as calculating odds, shorthanded play, and discovering tells. And he discusses memorable plays -- the good and the oh-so-bad -- explaining why certain moves were made and, in many cases, how the hands should have been played differently. Insightful, witty, and filled with real-life pro secrets, Phil Gordon's Little Blue Book is required reading for every player looking to make a profit and raise his game to the next level.

Play Poker Like the Pros Simon and Schuster

The fastest growing format in online poker is without doubt Progressive Knockout tournaments. Online poker rooms like them, recreational poker players love them, yet a lot of serious poker players struggle to get to grips with the way the strategy changes compared to regular MTTs. In PKO Poker Strategy professional poker player Dara O'Kearney has done rigorous study using the latest solver technology to show you the biggest adjustments you need to beat these tournaments. This book fixes your biggest leaks and takes the uncertainty out of PKOs. You will learn:

- How to adjust your ranges in a PKO
- When to gamble for a big bounty
- How to adjust when the payouts and final table are a factor
- When you should stick to a more standard strategy
- Quick PKO math you can do at the tables

Dara O'Kearney is a professional poker player from Ireland, specialising in online tournaments and with a reputation as one of the great teachers of the game. He is the co-author of the best-selling Poker Satellite Strategy, the co-host of the award-winning Chip Race Poker Podcast and is sponsored by Unibet Poker. "Dara's outlook on PKO tournaments is expectedly methodical. Knowing how wide to chase bounties is one of the most important adjustments and this book will equip you with the knowledge to work it out on the fly." - Adam Owen, professional poker player

This book uses the most up-to-date poker ICM solvers, however it has been written in a way to make the poker math you need to do at the tables very simple. Every chapter starts from a poker GTO framework but then explains how you should deviate when the players or table dynamics change. It covers major adjustment in PKO play, including a short hand way to decide on calling ranges, the poker game theory behind why you should never late register, post flop play, poker mindset issues unique to PKOs and much more. It has everything a texas hold'em player needs to crush knockout tournaments.

The Total Poker Manual Two Plus Two Publishing LLC

The first years of the poker boom were fueled by the interest in no-limit hold em tournaments. Recently, however, players have been gravitating to another, even more complex form of hold em no-limit cash games. In Harrington on Cash Games: Volume I, Dan Harrington teaches you the key concepts that drive deep-stack cash game play. You'll learn how to tailor your selection of starting hands to your stack size, how to recognize the increasing deception value of supposedly weaker hands as the stack sizes increase, and how to use the concept of pot commitment to your advantage as the size of the pot grows. After laying out the general concepts behind deep-stack cash game play, Harrington shows you a complete strategy for post-flop play, and then teaches you the difference between post-flop play against a single opponent and post-flop play against multiple opponents. If you play no-limit hold em cash games, you need to read this book. Harrington on Cash Games: Volume II continues where Volume I left off. In sections on turn and river play, Harrington explains why these are the most important streets in no-limit hold em, and shows how to decide when to bet or check, when to call or fold, and when to commit all your chips. In later sections, Harrington shows how to play a looser and more aggressive style, how to make the transition from online to live games, and how to extract the maximum profit from very low-stakes games. Volume II concludes with an interview with Bobby Hoff, considered by many the best no-limit cash game player of all times, who shares some of his secrets and insights. Dan Harrington won the gold bracelet and the World Champion title at the \$10,000 buy-in No-Limit Hold em Championship at the 1995 World Series of Poker. And he was the only player to make the final table in 2003 (field of 839) and 2004 (field of 2,576) considered by cognoscenti to be the greatest accomplishment in WSOP history. In Harrington on Cash Games, Harrington and two-time World Backgammon Champion Bill Robertie have written the definitive books on no-limit cash games. These books will teach you what you need to know to be a winner in the cash game world.
