John Wiley & Sons

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

The Literary Digest Da Capo Press, Incorporated

Liliuokalani is a play about the overthrow of the Hawaiian monarchy and the annexation of the Islands by the United States. Playwright Aldyth Morris became intrigued with the story in 1929, when she came to make her home in the Islands Hawaii had been an American territory for only thirty-one years and its last monarch had been dead for only twelve. But loving memories of Queen Liliuokalani, amounting almost to

reverence, were very much alive. Now, after more than sixty years of living in Hawaii, Mrs. Morris has captured the story in dramatic form. Following early years of asking questions and listening to the answers, and of reading books, articles, and diaries, Mrs. Morris saw clearly the story that must be told. She shares it with us, with sensitivity and respect for the characters involved.

Philippine Independence God's Arbiters

Since its original landmark publication in 1980, A People's History of the United States has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, A People's History is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, A People's History of the United States, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special

twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

The War of 1898 Univ of North Carolina Press

The Proceedings of the Boston Area Colloquium in Ancient Philosophy are published annually and each volume presents the papers of the colloquia of the year in question with the responses given.

Teaching with Documents UP Press  
This book makes a postcolonial reading of the American invasion and colonization of the Philippines in 1898. It considers how nineteenth-century American popular culture, specifically political cartoons and caricatures, influenced American foreign policy. These sources, drawn from several U.S. libraries and archives, show how race and gender ideologies significantly influenced the move of the U.S. to annex the Philippines. The book not only includes a significant collection of political cartoons and caricatures about Filipinos, it also offers an alternative interpretation of the reasons why the U.S. ventured into colonial expansion in Asia.

The American Occupation of the Philippines, 1898-1912 Oxford University Press

Moderne Diplomatie wirkt heute in viele Bereiche des modernen Lebens hinein. Sie ist zugleich selbst neuen Einflüssen ausgesetzt. Faktoren, die unsere Gesellschaften verändern, verändern auch unser Regierungshandeln, auch in der Außenpolitik, seien es Digitalisierung, emotionalisierte Sensibilitäten unserer Öffentlichkeiten oder nicht-staatliche internationale Akteure. Derartige Entwicklungen müssen von der Diplomatie aufgenommen werden, damit sie weiter als Instrument einer Regierung funktionieren kann. Regierungen sollten Wege finden, zwischen den neuen Bedürfnissen der Gesellschaft und den Notwendigkeiten legitimen Regierungshandelns zu vermitteln. Das Ziel sollte sein, als souveräner Staat handeln zu können und zugleich das Potential der tiefgreifenden gesellschaftlichen Veränderungen zu nutzen. Mit Beiträgen von Volker Stanzel, Sascha Lohmann, Andrew

Cooper, Christer Jönsson, Corneliu Bjola, Emillie V. de Keulenaar, Jan Melissen, Karsten D. Voigt, Kim B. Olsen, Hanns W. Maull und R. S. Zaharna

Guide for social studies teachers in using primary sources, particularly those available from the National Archives, to teach history.

The Encyclopedia of the Spanish-American and Philippine-American Wars: A Political, Social, and Military History [3 volumes]

Farrar, Straus and Giroux  
This comparative study of piracy and maritime violence provides a fresh understanding of European overseas expansion and colonisation in Asia. This title is also available as Open Access on Cambridge Core.

Chinese and Chinese Mestizos of Manila BRILL

How did the acquisition of overseas colonies affect the development of the American state? How did the constitutional system shape the expansion and governance of American empire? American Imperialism and the State offers a new perspective on these questions by recasting American imperial governance as an episode of state building. Colin D. Moore argues that the empire was decisively shaped by the efforts of colonial state officials to achieve greater autonomy in the face of congressional obstruction, public indifference and limitations on administrative capacity. Drawing on extensive archival research, the book focuses principally upon four cases of imperial governance - Hawai'i, the Philippines, the Dominican Republic and Haiti - to highlight the essential tension between American mass democracy and imperial expansion.

Congressional Record Springer

Please note this is a 'Palgrave to Order' title (PTO). Stock of this book requires shipment from an overseas supplier. It will be delivered to you within 12 weeks. This book offers the first history of the Filipinos in the United States, focusing on the significance of the Moro people's struggle for self-determination.

The Modern Review Routledge

A century after the Cuban war for independence was fought, Louis Pérez examines the meaning of the war of 1898 as represented in one hundred years of American historical writing. Offering both a critique of the conventional historiography and an alternate New Realities in Foreign Affairs Prabhat Prakashan

"True Version of the Philippine Revolution" by Emilio Aguinaldo.

American Imperialism in 1898

University of Hawaii Press

History of the Spanish-American War largely based on the daily records of Theodore Roosevelt, who trained and led the Rough Riders during the war.

The Nation National Archives Trust Fund Board

When the U.S. liberated the Philippines from Spanish rule in 1898, the exploit was hailed at home as a great moral victory, an instance of Uncle Sam freeing an oppressed country from colonial tyranny. The next move, however, was hotly contested: should the U.S. annex the archipelago? The disputants did agree on one point: that the United States was divinely appointed to bring democracy--and with it, white Protestant culture--to the rest of the world. They were, in the words of U.S. Senator Albert Beveridge, "God's arbiters," a civilizing force with a righteous role to play on the world stage. Mining letters, speeches, textbooks, poems, political cartoons and other sources, Susan K. Harris examines the role of religious rhetoric and racial biases in the battle over annexation. She offers a provocative reading both of the debates' religious framework and of the evolution of Christian national identity within the U.S. The book brings to life the personalities who dominated the discussion, figures like the bellicose Beveridge and the segregationist Senator Benjamin

Tillman. It also features voices from outside U.S. geopolitical boundaries that responded to the Americans' venture into global imperialism: among them England's "imperial" poet Rudyard Kipling, Nicaragua's poet/diplomat Rubén Darío, and the Philippines' revolutionary leaders Emilio Aguinaldo and Apolinario Mabini. At the center of this *dramatis personae* stands Mark Twain, an influential partisan who was, for many, the embodiment of America. Twain had supported the initial intervention but quickly changed his mind, arguing that the U.S. decision to annex the archipelago was a betrayal of the very principles the U.S. claimed to promote. Written with verve and animated by a wide range of archival research, *God's Arbiters* reveals the roots of current debates over textbook content, evangelical politics, and American exceptionalism--shining light on our own times as it recreates the culture surrounding America's global mission at the turn into the twentieth century.

The Rough Riders

This book studies the activities undertaken by the ASEAN states and reflects the inspiration and support of many individuals. The ASEAN phenomenon is about the successful consultative process, the accommodation, that these states used in managing tensions and dealing with external environments.
