At the time of Mark Rothko's apparent suicide in 1970, the deeply troubled, pioneering artist of Abstract Expressionism was at the height of fame and financial success; yet within months of the funeral, his three

trusted friends, acting as executors, relinquished his entire legacy of 800 paintings to the powerful, international Marlborough Galleries (run by Frank Lloyd) for a fraction of their real worth on terms suspiciously unfavorable to the estate. The suit that Rothko's daughter brought against the executors and Marlborough rocked the art world with its shocking revelations of corruption in the international art trade: from the deceptions practiced on Rothko when he was alive to the scandals

after his death involving conspiracies and cover-ups, double dealings and betrayals, missing paintings and manipulated markets, phony sales and laundered profits, forgery and fraud.

A unique portrait of one of the creative geniuses of the 20th century, by the distinguished critic David Sylvester.

Controversial in both life and art, Francis Bacon was one of the most important painters of the 20th century. His monumental, unsettling images have an

extraordinary power to disturb, shock and haunt the spectator, 'to unlock the valves of feeling and therefore return the onlooker to life more violently'. Drawing on his personal knowledge of Bacon's inspirations, intentions and working methods, David Sylvester surveys the development of the work from 1933 to the early 1990s, and discusses critically a number of its crucial aspects. He also reproduces previously unpublished extracts from

his celebrated conversations with Bacon in which the artist speaks about himself, modern painters and the art of the past. Finally, Sylvester gives a brief account of Bacon's life, correcting certain errors that elsewhere have been presented as facts. Divided into the sections 'Review', 'Reflections', 'Fragments of Talk' and 'Biographical Note', Looking Back at Francis Bacon is a unique portrait of one of the creative geniuses of our age by a

writer of comparable distinction. The Koran Interpreted Omnibus Press In The Complete Book of 1960s Broadway Musicals, Dan Dietz examines every musical and revue that opened on Broadway during the 1960s. In addition to providing details on every hit and flop, Dietz includes revivals and one-man and one-woman shows that centered on stars like Jack Benny, Maurice Chevalier, Marlene Dietrich, Danny Kaye, Yves Montand, and Lena Horne. In addition to entries for each production, the book offers numerous appendixes: a discography, film and television versions, published scripts, Gilbert and Sullivan operettas, and lists of

productions by the New York City Center Light Opera Company, the New York City Opera Company, and the Music Theatre of Lincoln Center.

Exploring the doctrines and practices of contemporary Islamic spirituality in Afghanistan, this book draws the reader into the complex world of Sufism, the mystical dimension of Islam. Because of its long history of metaphysical and theological inquiry, Sufism has over the centuries developed a

religious sophistication that offers an alternative to militant and literalist Islam. The narrative and personal descriptions of the people and cultures of rural Afghanistan allow readers to better understand the positive aspects of Islam and to feel the depths of Afghan yearning and sorrow after decades of war.

Looking Back at Francis Bacon

Rowman & Littlefield

During the 1990s, Asian pop artists began entering the mainstream of the British music industry for the first time. Bands such as Black Star Liner, Cornershop, Fun Da Mental and Voodoo Queens, led those

within and without the industry to start asking questions such as what did it mean to be Asian? How did the bands' Asian background affect their music? What did their music say about Asians in Britain? In this book, Rehan Hyder draws on in-depth interviews with musicians from these bands and with critics and record producers, to examine the pressures associated with making music as a young Asian in today's multi-ethnic Britain. As the book reveals, these musicians wish to convey an authentic sense of creativity in their music, while at the same time wanting to assert a positive ethnic identity. Hyder explores these two impulses against the backdrop of a music industry and a society at large that hold a

range of confining stereotypes about what it means to be Asian. The experiences of these bands add considerably to the wider debate about the nature of identity in the contemporary world.

They knew us before we began to walk upright. Shamans called them guardians, mythmakers called them tricksters, pagans called them gods, churchmen called them demons, folklorists called them shape-shifters.

They 've obligingly taken any role we 've assigned them, and, while needing nothing from us,

have accepted whatever we thought was their due – love, hate, fear, worship, condemnation, neglect, oblivion. Even in modern times, when their existence is doubted or denied, they continue to extend invitations to those who would travel a different road, a road not found on any of our cultural maps. But now, perceiving us as a threat to life itself, they issue their invitations with a dark purpose of their own. In this dazzling metaphysical thriller, four who put themselves in the hands of these all-but-forgotten Others venture across a sinister American landscape hidden

from normal view, finding their way to interlocking destinies of death, terror, transcendental rapture, and shattering enlightenment. From the Trade Paperback edition.

The Cure emerged in the post-punk 70s and defied all expectations to launch a marathon career marked by hit records and a string of sell-out arena shows. In 2004, after numerous personnel changes, the band delivered their *Greatest Hits* album in 2004. This biography traces the roots in middle-class Crawley, Sussex and tracks their gradual rise, revealing how their first major album *Pornography*, almost ended the band well before their multi-platinum career began. It also documents Smith's escape into the Siouxsie & The Banshees camp during the Eighties, his

experimentation with every drug ('bar smack'). His reluctance to return to The Cure which would eventually lead to them becoming superstars, not only on both sides of the Atlantic but all around the globe. While concept musicals such as Nine and Stephen Sondheim's Sunday in the Park with George continued to be produced, several London hits came to New York. In addition to shows like Chess, Me and My Girl, and Les Miserables, the decade's most successful composer Andrew Lloyd Webber was also well represented by Cats, The Phantom of the Opera, Song & Dance, and Starlight Express. There were also many revivals (such as Show Boat and Gypsy), surprise hits (The Pirates of Penzance), huge hits

(42nd Street), and notorious flops (Into the Light, Carrie, and Annie 2: Miss Hannigan's Revenge). Al-Qur'an, the Guidance for mankind, is a unique translation of the Holy Qur'an in contemporary American English. It includes the Biography of the Prophet Muhammad, peace be upon him, his mission as a Prophet, his ranking as in the human history. Text is paragraphed.

by theme and theme is written in the margins on each page for easy reference. Its features include - (1) Field Testing the Communication of Divine Message: The unique feature of this translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was

asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous patience on part of the participants. May Allah reward them all. (2)

Simplicity: In this translation Simple Language and Direct Approach is used for appealing to the common sense of scholars and common people. (3) Understandability: There are no foot notes to refer and no commentary or lengthy explanations to read. All necessary explanations have been incorporated right there in the text with italic type setting to differentiate from the translation of the meanings of Qur'anic Arabic Text. (4) Outline of Pertinent Information: Before the start of each Srah, information

relating to its Period of Revelation, Major Issues, Divine Laws and Guidance has been presented as an outline. Then a summary of the preceding events has been tabulated for the reader to understand the historical background to grasp the full meaning of the Divine Message. (5) Reviews, Input and Approvals: This project was started in 1991 and initial draft completed in 1994. Then the Translation was sent to different Ulema (Scholars) in Town and throughout United States for their review and

input. After their reviews and input it was sent to Jme Al-Azhar Al-Sharif in Egypt, Ummal Qur in Saudi Arabia and International Islamic University in Pakistan for their review, input and approval. This translation was published after their reviews and approvals. Qur'an Made Easy Rowman & Littlefield

The 1970s was an exciting decade for musical theatre. Besides shows from legends

Stephen Sondheim (Company, Follies, A Little Night Music, and Sweeney Todd) and Andrew Lloyd Webber (Jesus Christ Superstar and Evita), old-fashioned musicals (Annie) and major revivals (No, No, Nanette) became hits. In addition to underappreciated shows like Over Here! and cult musicals such as The Grass Harp and Mack and Mabel, Broadway audiences were entertained by black musicals on the order of The Wiz and Raisin.
