Ludwig von Mises Institute

"This book will provide a complete and easy-to-understand reference for the growing band of people wishing to keep their own chickens for both food and pleasure. Pitched at the novice but also containing plenty to interest the experienced chicken-keeper, the book will contain no-nonsense advice, tips, facts and step-by step sequences, as well as plenty of relevant photographs and diagrams. As more people keep chickens nowadays than at any time since the Second World War, this book is a timely addition to the Haynes range."--Publisher description.
