A new edition of this award-winning modern classic, with an introduction by Tayari Jones (*An American Marriage*), an excerpt from

the never before seen follow-up, and discussion guide. Pakersfield, Georgia, 1958: Thirteen-year-old Tangy Mae Quinn is the sixth of ten fatherless siblings. She is the darkest-skinned among them and therefore the ugliest in her mother, Rozelle's, estimation, but she's also the brightest. Rozelle—beautiful, charismatic, and light-skinned—exercises a violent hold over her children. Fearing abandonment, she pulls them from school at the age of twelve and sends them to earn their keep for the household, whether in domestic service, in the fields, or at “the farmhouse” on the edge of town, where Rozelle beds local men for money. But Tangy Mae has been selected to be part of the first integrated class at a nearby white high school. She has a chance to change her life, but can she break from Rozelle's grasp without ruinous—even fatal—consequences?

E. PHILLIPS OPPENHEIM Ultimate Collection: 72 Novels & 100+ Short Stories in One Volume Saint James Press

Before Barack Obama had even taken the oath of office after his historic victory, cadres of lobbyists, political hacks, oil tycoons, and right-wing politicians met to plan his political demise. The massive conservative infrastructure created by business groups beginning in the 1970s would not be sufficient, they concluded: in the age of Obama, something new—and bold—had to be done. Written by the blogger who was the first to report on the lobbyists who brought us the Tea Parties, here is a groundbreaking exposé of the plans to make America conservative again. A Field Guide to the Right dissects the rise of “patriot” hate groups, touches on the role of New York City's most celebrated billionaire in financing the fodder for Glenn Beck and Congresswoman Michele Bachmann, and exposes how former Bush operatives and current trade association heads have cleverly adapted to crush Obama and progressive reform. For anyone interested in comprehending the new landscape of the conservative movement, here is an essential guide to the people, the money, and the strategies that make it tick.
