A very interesting introduction to the philosophy of mind. I recommend pairing it with a beginner's level book from a materialist perspective such as Dennett's Consciousness Explained, or The Mind's I (edited by douglas hofstadter). For a book purporting to be an introduction to the subject, Philosophy of Mind is more partisan than one might ...

Philosophy Of Mind A Beginners

Shoshin is a word from Zen Buddhism meaning "beginner's mind." It refers to having an attitude of openness, eagerness, and lack of preconceptions when studying a subject, even when studying at an advanced level, just as a beginner would. The term is especially used in the study of Zen Buddhism and Japanese martial arts..

PHILOSOPHY Psychiatric treatment is not about feeling better, although most people do feel better. Treatment is about regaining freedom. People who are less confined by psychiatric conditions can function better, handle discomfort and find meaning in their lives. You may have been given multiple diagnoses, or maybe this is the first time you are seeking treatment.
