"Written as a practical guide for teachers in inclusive settings, Design and Deliver introduces Universal Design for Learning (UDL) and describes how to effectively implement it in the classroom. UDL is a framework that guides the design of barrier-free, instructionally rich learning environments and lessons that provide access to all students. In this research-based, easy-to-read guide, seasoned teacher and former

UDL Coordinator Loui Lord Nelson highlights how K-12 educators can use the three key principles of UDL-Engagement, Representation, and Action & Expression-to meet the needs of diverse learners. The book explains UDL; describes the vocabulary, myths, and brain science underlying it; and offers strategies, lesson plan guidance, and techniques to implement it"--
