You will have a golden opportunity to work with some of the best Scientists and Engineers in India. The Council has entrusted the responsibility of conducting CSIR UGC NET in a Computer-based format to the National Testing Agency (NTA)

Law School Essays that Made a Difference Agathon Press

This full-color manual is designed to satisfy the content needs of either a one- or two-semester introduction to physical science course populated by nonmajors. It provides students with the opportunity to explore and make sense of the world around them, to develop their skills and knowledge, and to learn to think like scientists. The material is written in an accessible way, providing clearly written procedures, a wide variety of exercises from which instructors can choose, and real-world examples that keep the content engaging. Exploring Physical Science in the Laboratory guides students through the mysteries of the observable world and helps them develop a clear understanding of challenging concepts.
