There ' s a lot of stuff to learn with Physics and it ' s not all straightforward. In fact, most of it requires some serious brain power. Luckily, we have a way for you to learn all the core National Curriculum stuff for GCSE Physics in a way that won ' t send you to sleep (or make you wish you were a cyborg on another planet who didn ' t have to deal with exams).

Past papers dated before May 2006 are based on an earlier syllabus and are not relevant to the current entrance test. Past papers and sample papers provide general guidance on the likely content of future papers, but retain old formats and can include quite complicated numerical computations on the physics papers.
