 a similar dumbass question in
 TZ1 "what are the benefits of
 international collaboration in
 using the large hadron collider"

or some shot like that.

My students came to my room after the two papers yesterday. Consensus I got: Paper 1 was not too bad, but Paper 2 reigned death and destruction. Not what you want to hear as a teacher. I'm definitely curious about this bike question I was told about. I'll have to check it out when I get copies of the papers next week.
