Smart, sexy, and supernatural—the men and women of the Otherworld live unseen among us. For the most part, mere mortals never suspect their existence—and that's the way they want it. But now a reckless killer has torn down

the wall between our worlds, trapping one very vulnerable, and very mortal, woman in the supernatural cross fire. Robyn Peltier moved to Los Angeles shortly after her young husband's sudden and unexpected death. Her hope was that her hectic new life as the PR consultant to a spoiled celebutante would provide a distraction from her grief. But when her client is murdered, Robyn finds herself on the run as the prime suspect. And as more bodies pile up around her, it seems only her friend, tabloid journalist Hope Adams, is on her side. But Hope and her somewhat spooky boyfriend Karl know it's just a matter of time before Robyn is caught. For she's gotten herself in the middle of a turf war between two Otherworld races who'll spill any amount of blood—human and inhuman—to protect what they consider theirs for eternity. And the only way

Hope can save her friend is by letting her enter a world she's safer knowing nothing about.

Beauty from Pain

Harper Collins

Amongst the ancient papyri of the Dead Sea, a remarkable scroll is discovered. Written in the first century AD, it purports to be the true account of the life of Jesus, as told by Youdas the sicarios - Judas Iscariot: the missing Gospel of Judas. If authentic, it will be one of the most incendiary documents in the history of humankind. The task of proving - or disproving - its validity falls to Father Leo Newman,

one of the world's leading experts in Koine, the demotic Greek of the Roman Empire, and a man the newspapers like to call a 'renegade priest'. But as Leo absorbs himself in Judas' testimony, the stories of his own life haunt him. The story of his forbidden yet irresistible love for a married woman. The story of his mother's passionate and tragic affair amidst the war-time ruins of Rome. They are stories of love and betrayal that may threaten his faith just as deeply as the Gospel of Judas... With a dramatic narrative that spans from the Europe of the Second World War to Jerusalem two thousand years after Jesus' birth, THE GOSPEL OF JUDAS is a compelling and erudite thriller. One Hundred Strokes of the Brush Before Bed Holiday House When civil war erupts in Somalia, cousins Domenica Axad and

Barni are separated and forced to flee the country. Barni manages to eke out a living in Rome, where she works as an obstetrician. Domenica wanders Europe in a painful attempt to reunite her broken family and come to terms with her past. After ten years, the two women reunite. When Domenica gives birth to a son, Barni, also known as Little Mother, is at her side. Together with the new baby, Domenica and Barni find their Somali roots and start to heal the pain they have suffered in war and exile. This powerful yet tender novel underscores the strength of women, family, and community, and draws on the tenacious yearning for a homeland that has been denied. The Butcher Bantam Think you know Shakespeare? Think again . . . Was a real skull used in the first performance of Hamlet? Were Shakespeare's plays Elizabethan blockbusters? How much do we really know about the playwright's life? And what of his notorious relationship with his wife? Exploring and exploding 30 popular myths about the great playwright, this illuminating new book evaluates all the evidence to show how historical material—or its absence—can be interpreted and misinterpreted, and what this reveals about our own personal investment in the stories we tell.
