Roadside Picnic Que Pub

Red Schuhart is a stalker, one of those young rebels who are compelled, in spite of extreme danger, to venture illegally into the Zone to collect the mysterious artifacts that the alien visitors left scattered around. His life is dominated by the place and the thriving black market in the alien products. But when he and his friend Kirill go into the Zone together to pick up a "full empty," something goes wrong. And the news he gets from his girlfriend upon his return makes it

inevitable that he'll keep going back to the Zone, again and again, until he finds the answer to all his problems. First published in 1972, "Roadside Picnic" is still widely regarded as one of the greatest science fiction novels, despite the fact that it has been out of print in the United States for almost thirty years. This authoritative new translation corrects many errors and omissions and has been supplemented with a foreword by Ursula K. Le Guin and a new afterword by Boris Strugatsky explaining the strange history of the novel's publication in Russia.

The twenty-first century has opened with a rapidly changing map of Christianity. While its influence is waning in some of its traditional Western strongholds, it is growing at a phenomenal pace in the global South. And yet this story has largely eluded the corporate news brokers of the West. Layered as it is with countless personal and corporate stories of remarkable faith and witness, it nevertheless lies ghostlike behind the newsprint and webpages of our print media, outside the camera's vision on the network evening news. Miriam Adeney has lived, traveled and ministered widely. She has walked with Christians in and from the far reaches of the globe. As she pulls back the veil on real Christians--their faith, their hardships, their triumphs and, yes, their failures--an inspiring and challenging story of a kingdom that knows no borders takes shape. This is a book that coaxes us out of our comfortable lives. It beckons us to expand our vision and experience of the possibilities and promise of a faith that continues to shape lives, communities and nations.
