So why, at the wedding in Sydney of her best friend Molly, does she have niggling doubts, and find herself attracted to Molly's brother-in-law Nathan? The sooner she gets back to her regular life in London, the flat she shares with James, her job in PR, the better. A Friend of the Family Simon and Schuster
Katie O'Dwyer flees the constraints of her rural Irish upbringing for the excitement of London. Here she meets and falls in love with William Melville: the imposing head of the Melville fashion dynasty. Elusive, charismatic; married. Their affair is brief but passionate. Katie conceives a child. Fifteen years later she succumbs to cancer; and her beautiful daughter Caitlin finds that she

must go to live in England, with the father she has never met. Her half-sisters - cold, high-achieving Elizabeth, and spoilt princess Amber - react to her with hostility; while their elegant mother is too high on valium to notice what goes on. Reeling from her mother's death, unable to fit into this alien world, Caitlin is sent away to boarding school. It is here that something happens which is so awful, so brutalizing, it will change Caitlin forever . . . Over the next fifteen years the sisters' lives will take them in very different directions. Golden girl Elizabeth will enter the family business, hoping to fulfil her destiny of taking the helm; longing above all for her father's approval. But Caitlin remains William's favourite; even though she has rejected his love and his money. In fact, Caitlin's success as a high-fashion designer has been achieved entirely on her own terms. Amber, meanwhile, is too beautiful for her own good. Spoilt but unloved, she craves attention: this makes her easy pickings for predatory men. But the sisters' paths will continue to cross. Because the simple truth is that, no matter how far you go, you cannot escape the claims of family.
