To be loved fully is a dream of many, but often times we find ourselves in situations where we cannot, or the person that we love cannot fully love us. *Side Pieces* is a telling of varying emotions about the fear of love, the vivid description of its heartbreak, and the illusion that lust is love.

Mantel Pieces: Royal Bodies and Other Writing from the London Review of Books Independently Published MTV has discovered the authors of tomorrow. Read them today in Pieces. This unique short-story collection is more than a good read -- it's an exciting glimpse into the future of fiction. The winners of MTV's "Write Stuff" competition share their voices and visions in tales that are endearingly raw, undeniably bold, and engagingly inventive. In Next Time, a housewife

encounters a gunman -- an experience that changes her life, and her mind, in surprising ways...Pinball is an edgy tale of a young mail clerk's hidden sex life...After her broken engagement, a cook in New York goes to work for a chic SoHo couple in Roam...Mother captures the tragedy of a woman's illness, as witnessed through her daughter's eyes...In Day of the Dead, a humorously doomed relationship begins when a twentysomething's boyfriend returns from an Outward Bound trip and

moves in with her...Two old high school friends reunite -- and compare their very different lives -- in Black Cowboy. Along with other stories and an introduction by Stephen Chbosky (The Perks of Being a Wallflower), Pieces is filled with the excitement of discovery -- as a host of newcomers present their works to a wide and eager audience. A NEW TWIST ON A POPULAR PUZZLE CUBE! Invented by Piet

Hein, the Soma cube is one of the most famous mechanical puzzles in the world. The traditional challenge and outcome is to build a cube or other structures from all seven pieces. **CHANGE THE RULES, CHANGE THE OUTCOME!** The puzzles in this unique Soma-inspired collection are no longer predicated upon using all seven pieces at one time! By varying the number of pieces, there are many new and versatile puzzle challenges, from all types of recreational mathematics fields. For example, you will find symmetry puzzles, cover-up puzzles, and even fraction puzzles. The chapters are divided according to the number of pieces used; from single-piece puzzles to puzzles requiring a complete set. **WHY USE THE SOMA CUBE?** From the moment our creative team changed their rules of engagement for this new collection, the potential puzzle challenges and their solutions became nearly limitless! There is something magical and enchanting in those seven

pieces that enabled us to find many puzzles and challenges!**NEW CHALLENGES** Most of the puzzles demonstrated within the book are original. Some are based on classic puzzles, as well as more modern ones, modified and presented by using the set of Soma pieces.**LOW COST AND HIGH INTEREST FOR HOURS OF ENTERTAINMENT WITH INCREASING COMPLEXITY!** This is a unique collection of puzzles — all you need is a set of the

Soma cube. The puzzles range from easy to difficult and they appeal to a wide audience — all within the reach of the general public. It presents many geometrical and mathematical principles, and makes them easier to understand. However, no special knowledge in mathematics or geometry is required.

The Curio Collector

A collection of excerpts from journal entries by T. Michelle Johnson. Published and dedicated for the hearts that love and beat loudly in a world of silence. "This book is personal. Personal pain. Personal emotions. This

book is so personal, but I want to be open. Open to love and acceptance. Open to forgiveness and mercy. Open to faith and hope. Open to happiness and pain. Open to growth. So, this book... this book is me choosing to be those things. This book is me throwing myself in the middle of the pond waiting to see if I'll sink or swim..."

Return to the zombie apocalypse wasteland that is the Rot & Ruin in this short story collection from Jonathan Maberry. Benny Imura 's zombie-infested adventures are well-chronicled in the gripping novels Rot & Ruin, Dust & Decay, Flesh & Bone, and Fire & Ash. But what else was happening while he was on his quest? Who were the others navigating the

ravaged landscape full of zombies? Bits & Pieces fills in the gaps about what we know about First Night, surviving the plague, and traveling the land of Rot & Ruin. Eleven all-new short stories from Nix ' s journal and eleven previously published stories, including “ Dead & Gone ” and “ Tooth & Nail, ” are now together and in print for the first time, along with the first-ever script for the Rot & Ruin comic books.
