How to Wage Spiritual Warfare in the Last Days An important spiritual law was revealed by Jesus in Luke 11:21 – 22 and Matthew 12:29, “ How can one enter into a strongman ’ s house, and spoil his goods, except he first bind the strongman? And then he will spoil his house. ” Now, instead of “ binding ” symptoms, we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible! If God names them, they are real, and He has given us dominion over them through the Name of Jesus! In easy to understand language this book... Teaches how to zero in on and quickly identify the strongman in every situation Illustrates each strongman by a tree showing the fruits or symptoms for quick identification Instructs how to bind the enemy and loose the power of God according to Matthew 18:18 Provides instant recognition when and where Satan is attacking our lives and the lives of those around us Shows that God wants us to be free from Satan ’ s hassles so that we can reach this world for Christ.

Strongman's His Name...What's His Game offers a scriptural, balanced, and uplifting approach to present-day spiritual warfare.

The best way to describe evangelism in its simplicity is an outer flow of love and power to the world because of your committed, loving relationship with Jesus. *A Practical Guide to Evangelism—Supernaturally* has the potential to ignite the fire of God's love to touch a hurting and dying world. As believers, our first ministry is to the Lord Jesus Christ is our worship and devotion.

Our second ministry is to be in community and fellowship with other Christians. Our third ministry we will never be able to do in Heaven, and that is to share our faith with non-Christians. This ministry has urgency behind it, because God's heart is for the lost and His desire is that none perish but all have everlasting life. In this book, you will be trained and equipped to live a lifestyle of supernatural evangelism. You can make a difference for all of eternity by demonstrating God's love and power to the world, starting today.

### Against Demons and Territorial Spirits

Jeffrey Frank, author of the bestselling *Ike and Dick*, returns with the first full account of the Truman presidency in nearly thirty years, recounting how so ordinary a man met the extraordinary challenge of leading America through the pivotal years of the

---

mid-20th century. The nearly eight years of Harry Truman ' s presidency—among the most turbulent in American history—were marked by victory in the wars against Germany and Japan; the first use of an atomic weapon; the beginning of the Cold War; creation of the NATO alliance; the founding of the United Nations; the Marshall Plan to rebuild the wreckage of postwar Europe; the Red Scare; and the fateful decision to commit troops to fight in Korea. Historians have tended to portray Truman as stolid and decisive, with a homespun manner, but the man who emerges in *The Trials of Harry S. Truman* is complex and surprising. He believed that the point of public service was to improve the lives of one ' s fellow citizens, and was

disturbed by the brutal treatment of African Americans. Yet while he supported stronger civil rights laws, he never quite relinquished the deep-rooted outlook of someone with Confederate ancestry reared in rural Missouri. He was often carried along by the rush of events and guided by men who succeeded in refining his fixed and facile view of the postwar world. And while he prided himself on his Midwestern rationality, he could act out of emotion, as when, in the aftermath of World War II, moved by the plight of refugees, he pushed to recognize the new state of Israel. The Truman who emerges in these pages is a man with generous impulses, loyal to friends and family, and blessed with keen political instincts, but insecure, quick to anger, and

---

prone to hasty decisions. Archival discoveries, and research that led from Missouri to Washington, Berlin and Korea, have contributed to an indelible, and deeply human, portrait of an ordinary man suddenly forced to shoulder extraordinary responsibilities, who never lost a schoolboy ' s romantic love for his country, and its Constitution.

The Discerning of Spirits W. W. Norton & Company

The sexual revolution has impacted our nation, our church and our family. Promiscuity, nudity and sexual obscenities have become commonplace, and our consciences have become desensitized. No longer is there a widespread outcry against the avalanche of filth flaunted daily before our eyes.

The repercussions from sexual sin are mounting as moral convictions falter and sexual fads balloon. Neither the nation nor the individual can escape the consequences of disregarding God's commandments. The Bible warns us that, "The wages of sin is death" (Rom. 6:23), and "The way of the transgressor is hard" (Prov. 13:15). Unless these kinds of works of the flesh are quickly mortified, they become demonic strongholds. Sowing to the flesh produces corruption (Gal. 6:8), and corruption (dead flesh) provides a banquet table for unclean spirits. The inevitable consequence of defilement is the loss of fellowship with a holy God. "Pursue... holiness, without which no one will see the Lord" (Heb. 12:14). Are the fleeting pleasures of sin worth the forfeiture of our fellowship with God? Learn how to break free from the bondage

---

and repercussions from sexual sin.

Our Warfare Harper Collins

Ever wonder what it would be like to be active in a Deliverance Ministry? Frank Hammond and Frank Marzullo - the two Franks - became life-long friends and fellow deliverance ministers after they first met and ministered together in 1975. In the ensuing years, they traveled together with their wives to various cities in the US, Mexico, Europe and South America. During this time, they shared with one another the humorous, strange, exciting, and bizarre - details of what they experienced in their healing and deliverance ministries. In this booklet, they tell some of their most memorable experiences. You will be encouraged as they readily admit their mistakes and failures, along with the amazing victories and unexpected spiritual happenings. The

two Franks are transparent, giving you an insight into their private lives that shows their love of God, their love for people and the enjoyment they both shared in the work to which God had called them. This is an easy-to-read and enjoyable book that contains both fascinating tales as well as valuable truths. Learn about the extraordinary from two extraordinary men!

The New Age movement has returned

with full force in our culture taking the West and its churches by storm. All across North America, Christian churches have unknowingly encouraged occult beliefs and practices far removed from what the Bible teaches. This unfortunate reality is intrinsically linked to the popularity increase of New Age spirituality in the twenty-first century, and we've been so influenced by its integration into our society that we have become blind to recognizing, and preventing, the effects of this mainstream, pop-culture heresy, even within the walls of God's house. In this imperative and timely book, former New-Agers Josh Peck and Steven Bancarz reveal:

- What perverse dealings the authors personally witnessed from their experiences deep within the New Age Movement
- Which real and dangerous supernatural force lurks behind the New Age
- Facts that reveal how the occult has worked its way into modern, evangelical churches
- Connections between New Ageism, fallen angels, extraterrestrials, and the Nephilim
- Solid, historical associations between the New Age Movement and Satanism
- What false-Christ and false-gospel doctrines are being pushed by New Age teachers
- How the central deity of the New Age is a thinly veiled version of Leviathan, the ancient personification of chaos
- How quantum physics is being manipulated to promote the New Age agenda
- How to reach friends and family lost in the New Age movement
- Warning signs and influences of the occult in your life and home, and what to do if you are under spiritual attack

Our lives, our relationships, our world, and our churches all depend on our willingness to take action against the

---

deceit of New Age spirituality. The first step toward prevention is knowledge. Now is the time to be informed.

Why Deliverance Sometimes Fails

Impact Christian Books Incorporated

There are good soul ties and bad soul ties, just as there are healthy relationships and unhealthy ones. My wife and I dealt with soul ties, through the ministry of deliverance, long before we had much understanding of them. In fact, long before someone

introduced the designation "soul ties," we referred to them as "unholy alliances" or "perverse relationships." Through the deliverance ministry, soul ties are encountered regularly and their power over individuals' lives needs to be broken. Yes, soul ties are real, but what are they? What is the scriptural basis for understanding soul ties? How are they formed? Are they always demonic? What danger is there in soul ties? How can they be broken? In this booklet, Frank Hammond explains the root causes of these ties and how to distinguish between Godly and demonic soul ties.

PRAISE is a powerful weapon in

---

deliverance and spiritual warfare. As you praise the Lord, things begin to happen in the unseen realm. In the Old Testament, the people of God didn't have the name of Jesus as a weapon, but they did have praise. When Saul was troubled by an evil spirit, the only thing they knew to help him was to call David. What happened when David began to play on his harp and sing praise to his God? The evil spirit departed from King Saul. You can see why praise was so important to those Old Testament saints. You can see why they developed such a lifestyle of praise. We are told to resist the devil and make him flee, and praise is an often overlooked and underused weapon to accomplish this. I want you

to understand what your praise does in the spirit realm. A demon cannot exist in that atmosphere - he simply cannot function. Evil spirits have tormented us enough; through praise we get to turn the tables and torment them

personal and cultural associations of each region. From key lime pie (Florida) to elk stew (Montana), *The Mad Feast* commemorates the unexpected origins of the familiar. Brazenly dissecting the myriad intersections between history and food, Frank, in this gorgeously designed volume, considers politics, sexuality, violence, grief, and pleasure: the cool, creamy whoopie pie evokes toughness in the face of New England winters, while the stewlike perloo serves up an exploration of food and race in the South. Tracing an unpredictable map of our collective appetites, *The Mad Feast* presents a beguiling flavor profile of the American spirit.
